Procedure to Respond:

As (a Property Owner within 200 feet of the subject tract) or (an interested citizen), I ([redacted]) ([redacted]) and/or (**have the following comments**)

I am protesting the request of a special permit on Crematory or Mortuary on tract 1B3 2215 W. Pipeline Rd.

The reason is the smell that we occur when the wind comes out of the North. (That's not all the time.) Also i don't think this is a place where dead human bodies (Crematory and Mortuary) should be. I feel this would hurt the value of my property, and I don't need anymore smell.
