Re: Grounds Maintenance for City of Euless – Bid No. 006-11

Dear Mr. McDonald:

O'Donnell's Landscape Services, Inc. (OLS, Inc.) has enjoyed and, more importantly, appreciated the business relationship with the City of Euless. Our relationship began in May 2003 and we are eager to continue providing our services for years to come.

Please accept this letter as our notification to continue providing the services awarded to our company for the above referenced bid. O'Donnell's would also like to take on any additional work that was not awarded to our company in the bid. It is my understanding that one of your vendors has notified you of a non-renewal. O'Donnell's will honor the pricing that was submitted in our bid and be happy to take on the additional properties for the City of Euless.

Again, we appreciate our business relationship with the City of Euless and look forward to many more years of providing our landscaping services. Please feel free to contact me if you have any questions or comments.

Sincerely,

Scott E. O'Donnell
