Re: Approximately 6.25 acres of land City of Euless, Tarrant County, Texas

Mr. Mike Collins,

Please allow this letter to serve as the acknowledgement and agreement of Euless 183 Joint Venture, who is currently under contract to sell 6.25 acres ("property") of our 10.57 acre tract to Churchill 2012 SLP, LLC giving them the authorization to modify the existing zoning of the property to a Planned Development-PD allowing for the addition of a senior housing community as an additional use on the property. It is our understanding if the senior community is not built the current underlying zoning does not change and remains as outlined in the city zoning code of ordinances. We will execute any re-zoning application requested in this regard.

Regards,

Charles C. Yang

Euless 183 Joint Venture
