White Appliances is requesting permission to conduct sales of used, re-serviced appliances to the general public. Not only will this facility conduct sales but, will act as a service station for appliances as well. The complex that is desired for White Appliances has three other business that will not be disrupted by White Appliances presences HKH Store, Texas Tattoos and Metro Events Texas. There will not be any damages to any homes or the disruption of wild life. By occupying this vacant complex it will benefit the surrounding area by bringing new customers to the already existing area.

HKH Store, Texas Tattoos and Metro Events Texas will have their same parking spaces and the potential customers of White Appliances will not be in the way of their customers. HKH Store has 6 parking spots, Texas Tattoos has two and White Appliances will have three available to them. Since Metro Events Texas is owned by the same owner Robert A. Miller both business will use the same dumpster that will be placed by the already existing one that HKH Store uses. White Appliances needs not to take nuisance precautions for noise or offensive orders since there will be none coming out of the complex. Operation hours for White Appliances, Monday through Saturday 10am to 6pm and closed on Sundays.

White Appliances will be a great addition to the complex of businesses already thriving form the desired facility. The City of Euless will benefit from White Appliance presence by its potential customers who will be drawn in to the area. White Appliances hopes to bring more business to the surrounding area and to b a part of the growing community with in Euless, Texas.
