Re: HMAC Pricing Bid #007-12

As per your request we can extend our pricing for HMAC products for an additional year. However we must increase our delivery price due to increases by our truckers. The prices would be as follows:

1. Ty "B" HMAC (No RAP or RAS) per TxDot item 340
   Picked up price per ton $ 55.20
   Delivered price per ton $ 62.90

2. Ty "B" HMAC (up to 10% RAP or RAS) per TxDot item 340.003
   Picked up price per ton $ 53.20
   Delivered price per ton $ 60.90

3. Ty "D" HMAC (No RAP or RAS) per TxDot item 340
   Picked up price per ton $ 56.20
   Delivered price per ton $ 63.90

4. Ty "D" HMAC (up to 10% RAP or RAS) per TxDot item 340.003
   Picked up price per ton $ 54.20
   Delivered price per ton $ 61.90

Looking forward to working with The City of Euless this coming year.

Sincerely,

James G. Humphrey
