Re: Euless Planning and Engineering construction.

Mr. McAdams,

Oxley Williams Tharp Architects has reviewed RJM Contractors bid and spoken to one of their references we have known and respected for many years. Their bid numbers and total project cost are in-line with what we anticipated as well as the other bidding contractors. Their reference had nothing but positive things to say about the people at RJM and their work.

Our recommendation would be for the City of Euless to contract with the low bidder, RJM Contractors, to construct the new facility.

Sincerely,

Jim Tharp AIA NCARB
