THE OFFICIAL PUBLICATION OF THE CITY OF EULESS

EULESS TODAY

TEXAS 121

Did you know…?
You can stay up to date on Hwy 121 Construction by visiting https://www.facebook.com/sh121mobility/

Dear Citizens,

All three of our libraries from Hurst, Euless, & Bedford have come together to formulate one FabEuless summer reading program! These programs are filled with incentives for children of all ages as they complete minutes of summer reading, fulfill weekly library missions and participate in STEM challenges! All of our community is encouraged to participate in summer reading – as it is important for adults to model the behaviors that they expect of children. Log on to www.hebreads.org to track your minutes today.

Every challenge presents an opportunity and Wilshire Pool is one such opportunity. Wilshire Pool is 47 years old and in addition to a perpetual leak, it had developed structural issues. The needed repairs to the pool were approaching $2 million. The City Council has decided that the money to renovate the pool would be better used to renovate the entire park, which we have been working on and has been added to our Capital Improvement Plan for the future. We will miss Wilshire Pool, however, you can keep cool all summer long by visiting the Aquatic Park, Natatorium or Splash Pad.

300 block of Chisholm Trail

Don't miss the chance to try out all of the Glade Parks restaurants in one beautiful location. Restaurants such as Thirsty Lion, Lazy Dog and Midici, to name a few, will showcase their newest and best menu items. Restaurants throughout Glade Parks have been invited to participate in this First Annual event. Restaurants such as Thirsty Lion, Lazy Dog and Midici, to name a few, will showcase their newest and best menu items, all in one beautiful location. There will be games for kids to play in addition to face painting and a bubble magician. You'll stay on your toes all night long while listening to the music of Swinganova Jazz Ensemble. Swinganova is a Big Band grounded in jazz, but freely associates with a variety of swing, latin, jazz and pop music.

Crime Control and Prevention District

Even if you have never heard of it, you have probably benefited from the Crime Control and Prevention District (CCPD). Funded by a 1/4¢ voter-approved sales tax, its purpose is to decrease Euless' crime rate by financing a crime control and prevention program. This program funds equipment, technology, and staffing that reduces crime and increases public safety and quality of life.

Programs include:

- 19 Police Officers salaries, uniforms, and training
- Community Relations Programs such as Neighborhood Crime Watch and Coffee with a Cop
- EPIC-Euless Police Inspiring Champions –Program designed for Euless elementary school students
- Police Summer Camp (free to participants)
- SWAT Team
- Crime Victim Liaison
- Mental Health Peace Officer
- Interoperable communications equipment and technology

These are just some of the on-going ways the CCPD helps our city.

Last year's CCPD accomplishments include purchasing and installing a training simulator for police officers, replacing and improving evidence lockers, purchasing new safety equipment for police officers and many more activities. This fiscal year includes funding for new public safety equipment, crime scene cameras, a command console and equipment for a drone program.

So, as you can see, the CCPD plays an important role in our City and has helped Officers continue to strengthen and cultivate relationships with local businesses and residents.
