- Approve the request with modifications – *simple majority*
- Deny the request – *simple majority*

SUMMARY OF SUBJECT:

As part of the Glade Parks Development, Rio Grande Boulevard will be extended south to Cheek-Sparger Road. The intersection of Rio Grande Boulevard with Cheek-Sparger Road will require modifications to the existing median noses on Cheek-Sparger Road, installation of a right-turn lane along westbound Cheek-Sparger and installation of a new traffic signal at the new intersection. Since Cheek-Sparger Road is a City of Bedford facility, an interlocal agreement is needed to accomplish the modifications to Cheek-Sparger Road.

The modifications to Cheek-Sparger Road will be a portion of the site development work for the Glade Parks Development and will be funded through the Glade Parks Development. All construction activities will be coordinated with the City of Bedford Public Works Department. The City of Euless will own, operate and maintain the proposed traffic signal at the Cheek-Sparger / Rio Grande Boulevard intersection and will maintain the proposed pavement in the new right-turn lane.

The City of Bedford was briefed on the interlocal agreement at their June 24, 2008, pre-session meeting. Staff requests approval of the Interlocal Agreement with the City of Bedford.
