

Parks & Community Services Master Plan

OTHER ITEMS AS IDENTIFIED IN THE SCIENTIFIC SURVEY

Listed below are other items that were specifically listed as “wants” or “needs” by our citizens. These items, although important to the overall development of the City of Euless parks system, didn’t receive enough support to justify recommendations at this time or have been listed in the detailed list of specific park needs found in the Needs Assessment section of the plan. As other projects are completed, items listed below will move up on the Plan Implementation and Prioritization of Needs section of the plan.

- Construction of an in-line hockey rink
- Construction of additional pavilions
- Construction of gazebos
- Construction of outdoor basketball courts
- Construction of a disk golf course
- Construction of an additional amphitheater

OUTDOOR PRIORITY OF NEEDS

The following is a list of the first 15 priority needs:

Family Aquatic Facility

- Priority 1 – Acquisitions of additional property for construction of a family aquatic facility
- Priority 2 – Construction of a leisure pool
- Priority 3 – Construction of a play pool
- Priority 4 – Construction of a plunge/river
- Priority 5 – Construction of various water features including slides, spray grounds and other items

Aquatic Playground Project(s)

- Priority 6 – Remove the existing pool and related infrastructure
- Priority 7 – Construct water playground(s)
- Priority 8 – Construct support-related facilities
- Priority 9 – Construct restroom(s)
