

**EMPLOYEE OF THE MONTH**  
**JASON FARRIS – March 2009**  
Facility Tech III – Fleet & Facility Services

**Education, Training & Licenses:**

Jason is a graduate of Lamar High School in Arlington, Texas. He has attended Dallas Baptist University in a pursuit of a degree in Criminal Justice. He has over 300 hours of combined traffic signal and electrical classes and numerous hours on continuing law enforcement training. Jason has the following certifications: IMSA Traffic Signal Tech I & II, TCLEOSE Certified Police Officer, and TCLEOSE Certified Jailer.

**Employment Background & Experience:**

Jason has a varied work experience. For six years, he worked in the field of mobile home repair and construction (including electrical, plumbing, and overall improvement). He also served in the United States Marine Corps as a weapons systems electronic technician. He has also worked as a police officer and jailer for two years with the Tarrant County Sheriff's Office. He was also a drill instructor, head of security, and as assistant plant manager for Correctional Services Corporation (on a Marine Corps base). He also worked as a technician with National Semiconductor and worked as a Dispatch Manager for DalWorth Carpet Cleaning. In addition to his job with the City of Euless, he also works part-time for the City of Colleyville as a Park Ranger (provides maintenance and security).

**Awards, Recognition & Associations:**

Jason received recognition as the Facility Operations Technician of the Year in 2005.
