Re: Bid # 024-07

Dear Mr. Ackerman,

I am happy to confirm that Atlas Utility Supply Company will be able to extend your current pricing for a period of 1 year with a **three and one half percent (3 1/2 %)** increase. The three and one half percent increase is due to our manufacturer cost increase to us.

The pricing will include all products quoted on the current contract # **024-07**. The extension pricing will be for a period of one (1) year beginning **June, 2009** through **June 2010**.

We appreciate the long standing relationship with the City of Euless.

Respectfully,
Atlas Utility Supply Company
