Dear City of Euless P & Z,

RCCG, Mountain of Praise and Worship is a small congregation affiliated with The Redeemed Christian Church of God that has been holding worship services at 1717 W. Euless Blvd, Euless Texas 76040 since 2005. Our existing facility is not too small for all our services, but rather too old and inadequate for the faith community of 40 people.

After trying unsuccessfully to buy our current property that would allow the church to expand in place, the congregation decided to move and thereby plan to buy to build our place of worship by God willing in time to come. The new area will allow us to pursue a ministry characteristic of its denomination, youth activity drawn from the word of God. The new location is also more centralize to the residences of our members, who live primarily in the Bedford, Hurst and Euless area.

The new location, 2807 W. Euless Blvd, Suite 2807, Euless Texas 76040, consists of nearly 50 parking lots for all our members, 26 lots in the front of the building and the rest of the parking at the back of the building, and in addition to providing adequate parking space for all of the congregation's activities. The building 2807 W. Euless Blvd suite 2807, directly face the Hwy 10. All the business activities, including the offices will be closed on Sunday when we will have our Sunday worships, thereby have 50 free spaces for our services.

Emergency lights will be in the Assembly area and all the fire code will be resolved as well in the next couple of days.

Attached is the satellite plan for the surrounding area and adjacent roads.
Should there be any question concerning this location, please let me know at 817.714.0832. Thanks you so much and May the Good Lord continues to bless you and the City of Euless.

Sincerely,

Abbey Adeyeye
