RE: Agree to Extend the Current Contract

Dear Glenda,

This Letter is to confirm the mutual desire of The City of Eules and The Bowles Group d/b/a Workforce, to extend the current Agreement under the same terms and conditions until the next renewal date in December, 2010.

We are pleased to provide a revision in the current pricing in the area of workers compensation insurance. The new rate will reflect a decrease of .5% on the workers compensation portion of our pricing, commencing January 1.

We do anticipate the State of Texas to have a mandated increase for all employers in the area of the State Unemployment rates sometime during the first quarter of 2010. We will keep you apprised of this matter.

We appreciate your consideration to continue our services at Texas Star and have valued our relationship with City over the years.

Please contact me with any questions regarding the above.

All best,
