SUMMARY OF SUBJECT:

The City of Euless has established Interlocal Purchasing Agreements with several local cities and counties for items such as vehicles, gasoline, diesel, and street materials. The entities either bid requirements together, or a larger entity may obtain favorable pricing resulting in cost and time savings.

This agreement would allow the City of Euless and Parker County to purchase items from each city's contracts as needed.

It is recommended that City Council authorize the City Manager to enter into an Interlocal Agreement with Parker County. Attached is a copy of requested agreement.
