To: David H Arrington
Regarding: James M Matson Survey, A-1080, Tract 3B
1051 Westpark Way

As a property owner within 1000 ft, I protest the proposed permit Gas Well Site Permit to be located on James M Matson Survey A-1080 Tract 3B at 1041 West Park Way.

On the Grounds of the following:

- Gas wells pollute the air with benzene and other emissions.
- Benzene causes cancer in humans and is a danger to pregnant women and children
- Unsafe Levels of Benzene have already been detected in 3 locations in Tarrant County (April 19-23 2010) and 8 other areas in and near the metroplex
- Gas Well Drilling is exempt from the safe drinking water Act.
- Toxic Chemicals both airborne and soluble will be used.
- Toxic Waste will be left in the ground.
- The Noise, Traffic, Air, Water, Ground Pollution will lower the value of my property.
- As an asthmatic the air pollution represents a direct danger to my health.

I request a DENIAL of the proposed Gas Well Permit.

We do not want this gas well.
We just had the TRA WATER
Line put in right down Parkhill.
We do not want more Trucks and
Equipment in our neighborhood

I THOUGHT ANY DRILLING HAD TO BE AT
LEAST 600 FT. FROM ANY STRUCTURE. THIS
CERTAINLY DOES NOT QUALIFY. WHEN THIS
BUSINESS STARTED WITH ARRINGTON THIS WELLS
WAS TO BE OVER ON TRINITY BLVD, AND
A MILE AWAY. BUT A LOT OF SITE WORK
HAS BEEN DONE HERE FOR THEM TO BE DENIED
SO I ASSUME THIS IS ALREADY A DONE DEAL.
