SUMMARY OF SUBJECT:

The City Council is being asked to approve a Chapter 380 Agreement between the City of Euless and Republic Tire, Owner Mike Miller. As background, the City Council approved on August 25, 2009, a 380 Agreement that provided a \$5,000.00 grant to Mr. Miller for a sign remodel, an amount that he would receive if he completed improvements to his building and premises totaling approximately \$20,000.00 on or before March 2009. These improvements included exterior painting, the addition of stone siding to the main building on Euless Blvd., and repairs to the front entryway of the building off of Vine Street. Mr. Miller was not able to complete the project on or before March 2009. Mr. Miller has now completed the projects identified in Section II of the Chapter 380 Agreement and is requesting that he receive the grant.

The City Council is being asked to consider approval of a new Chapter 380 Agreement that contains all of the provisions contained in the original agreement approved on August 25, 2009, with the single exception that the eligibility date for reimbursement has been changed.
