Hello elected representatives,

My name is Doug Sporrer. I live at 212 Colonial Lane in the Heritage Place subdivision. I came home today to find a flyer on my front door. The flyer is essentially from someone who is upset that the Greek Orthodox Church next to Heritage Park is going to have their annual Greek Food Fest soon. I am writing to say that I am disgusted with whoever is trying to shut down the Greek Food Fest. My family and I have lived in this neighborhood for 8 years and we enjoy the food fest every year. Part of the reason we chose to live in Eules is because we want our children to grow up in a diverse society. Please know that this resident's concerns are not felt by this family.

Also, each year, I witness multiple families from our neighborhood walking over to the food fest to participate in the activities. One of the complaints on the flyer is loud noise. I have twin 3 year old daughters and the food fest has never been an issue for us. We also live within a block of this event. And let me finish by making clear that I am not a member of this church and am not friends with anyone that is. However, my family and I truly enjoy the food fest each year.

Sincerely,

Doug and Becky Sporrer
