

EMPLOYEE OF THE MONTH
JAKE DILLIPLANE – OCTOBER 2010
Computer Support Specialist II – Information Services

Education, Training & Licenses:

Jake is a graduate of Pennsbury High School in Falsington, Pennsylvania. He holds many certifications in the field of Information Services: Microsoft Certified Systems Engineer in Windows NT 4, Windows 2000, and Windows Server 2003; and is a Microsoft Certified Systems Administrator in Windows Server 2003.

Employment Background & Experience:

Jake faithfully served in the United States Navy from 1972-1980 and received Aviation Electronics Technician (AT) rating. He has worked in various areas of Information Services for almost 20 years. Immediately prior to joining the City of Euless in May, 2006, he worked as a Support Engineer for eight years at Microsoft Corporation in Irving. He has also worked as a Technical Publications Writer and has performed quality-control with EDS in Plano and worked as a Safety System Engineering Specialist and Instructor at Vought Aircraft Company in Dallas for 13 years.

Awards, Recognition, Associations, & Personal Data:

Jake enjoys reading, swimming, and hiking. Because of Jake's expertise, he is very knowledgeable and solves IT problems that might normally require support calls (which costs money to the City).
