

**EMPLOYEE OF THE MONTH**  
**RICK ELDREDGE – DECEMBER 2010**  
**Inspector I – Planning & Development**

**Education, Training & Licenses:**

After graduation from Keller High School in Keller, Texas, Rick earned his Associate of Applied Science Degree in Drafting & Design Technology from Texas State Technical College in Waco, Texas. He began working on his Bachelor's Degree in History/Social Studies from Texas Wesleyan University in Fort Worth, and completed his degree at Texas Woman's University in Denton in hopes of teaching school. He later chose to pursue certification as an inspector. He currently holds inspector certifications from the International Code Council. Rick is working on his specialized training and certification relating to Multi-Family Inspection and Codes. Rick has attended several job-related classes and workshops.

**Employment Background & Experience:**

Rick has a very diverse employment background. He worked for 3 years as the Manager of Student Accounts at Texas Wesleyan University; for 2 years as the Coordinator of Residential Life at Texas Wesleyan University. While attending college he also worked briefly in part-time shoe sales at Dillard's, part-time Loss Prevention Officer at J. C. Penney's, and part-time security guard at Securitas. He worked for 2 years as an Inspector (commercial/business) at Metrocode Analysis. He has been with the City of Euless since February, 2007.

**Awards, Recognition, Associations, & Personal Data:**

He is a member of the International Code Council. Rick enjoys spending time with his wife and two children (*daughter is in college; son is in high school*). He and his son spend time hunting and camping. He is active in his church, as well.
