

**AGREEMENT TO PARTICIPATE IN
TAX INCREMENT REINVESTMENT ZONE NUMBER THREE,
CITY OF EULESS, TEXAS
(GLADE PARKS)**

This **AGREEMENT TO PARTICIPATE IN TAX INCREMENT REINVESTMENT ZONE NUMBER THREE, CITY OF EULESS, TEXAS** (“**Agreement**”) is entered into by and between the **CITY OF EULESS, TEXAS** (the “**City**”) and **TARRANT COUNTY COLLEGE DISTRICT**, a political subdivision of the state of Texas (the “**College District**”).

The City and the College District hereby agree that the following statements are true and correct and constitute the basis upon which the City and the College District have entered into this Agreement:

- A.** On November 9, 2010, the City Council of the City of Euless, Texas (the “**Council**”) adopted City Ordinance No. 1892 designating certain real property located west of State Highway 121, south of Heritage Town Crossing Shopping Center, east of Heritage Avenue and north of Cheek Sparger Road as Tax Increment Reinvestment Zone Number Three, City of Euless, Texas (the “**Zone**”). The Zone is informally known as “Glade Parks” and the “Glade Parks TIF”. City Ordinance No. 1892 is hereby incorporated by reference for all purposes and collectively attached hereto as **Exhibit “A”**.
- B.** Designation of the Zone will cause development of property in and around the Zone to occur that would not occur otherwise in the foreseeable future. It is anticipated that other complementary development in the Zone will follow. This overall development will result in increased tax revenues and other public benefits for both the City and the College District.
- C.** Pursuant to Section 311.013(f) of the Texas Tax Code, the College District is not required to pay any tax increment into the tax increment fund of the Zone unless it enters into an agreement to do so with the City. The College District wishes to enter into such an agreement with the City.

NOW, THEREFORE, for and in consideration of the conditions set forth herein, the sufficiency of which is hereby acknowledged, the City and the College District do hereby contract, covenant and agree as follows:

1. INCORPORATION OF RECITALS.

The parties hereby agree that the recitals set forth above are true and correct and form the basis upon which they have entered into this Agreement.

2. **DEFINITIONS.**

In addition to any terms defined in the body of this Agreement, the following terms shall have the definitions ascribed to them as follows:

Captured Appraised Value in a given year means the total appraised value of all real property taxable by the County and located in the Zone for that year less the Tax Increment Base.

TIF Ordinance means City Ordinance No. 1892 adopted on November 9, 2010, attached hereto as **Exhibit "A"**.

Zone means the certain real properties and boundaries as described in City Ordinance No. 1892.

3. **DEPOSIT OF TAX INCREMENT.**

Pursuant to a Resolution duly adopted by the governing body of the College District, which Resolution is attached hereto as **Exhibit "C"** and is hereby made a part of this Agreement for all purposes, and specifically subject to Section 4 of this Agreement, the College District hereby agrees to deposit each year, beginning with the 2011 tax year, fifty

percent (50%) of the College District's Tax Increment into the Tax Increment Fund. Such deposits shall be made in accordance with the City's standard administrative procedures, but only following receipt of a bill from the City that outlines the City's calculation of the amount of the deposit that is required for that year.

4. LIMITATIONS ON TAX INCREMENT DEPOSITS AND USE OF FUNDS.

This Agreement is based on the following conditions, and the City agrees and acknowledges the College District's right to enforce the conditions contained herein by injunction or any other lawful means in the event one or more of such conditions are not satisfied.

4.1 Amendments to TIF Ordinance.

The TIF Ordinance designates the boundaries, the eligible real properties for the calculation of Tax Increment for the Zone and the specific participation level of the City. If the TIF Ordinance is amended, the College District will no longer be required to deposit any funds into the Tax Increment Fund unless the TIF Ordinance amendment is approved by the governing body of the College District as an amendment to this Agreement.

4.2. Certain Zone Project Costs Excluded.

The Tax Increment deposited into the Tax Increment Fund by the College District shall be used to pay project costs for purposes as set forth and identified in the Project Plan. All TIF Fund allocations, including but not limited to any management and administrative costs, must be approved by the TIF Board in accordance with the Project Plan. If the Project Plan as approved by Ordinance 1894 passed by the City Council on November 23, 2010 is further amended, the College District will no longer be required to deposit any funds into the Tax Increment Fund unless the Project Plan amendment is approved by the governing body of the College District as an amendment to this Agreement.

4.3. Zone Expansion.

As defined, the Zone shall include real properties located within the boundaries as described in the TIF Ordinance. If the Zone is expanded, the College District will no longer be required to deposit into the Tax Increment Fund any funds unless participation in the expanded boundary area is approved by the governing body of the College District as an amendment to this Agreement. Additionally, the Tax Increment deposited into the Tax Increment Fund by the College District may not be used for any permissible project costs in any portion of the expanded area of the Zone unless approved by the governing body of the College District as an amendment to this Agreement.

4.4 TIF Board Membership.

During the term of the Zone, the TIF Board shall consist of seven members comprised of one (1) Tarrant County representative, one (1) Tarrant County Hospital District representative, one (1) College District representative and the remaining members of the board shall be designated by the City Council. The governing body of Tarrant County and the College District shall provide the names and addresses of their designated representative(s) to the City Council of the City for appointment to the TIF Board. The City Council of the City shall appoint the designated representative(s) to the TIF Board. If the designated representatives are not appointed to the TIF Board or the TIF Board does not consist of the number of representatives stated above, the College District will no longer be required to deposit into the Tax Increment Fund any funds unless the designated representatives are appointed, or the actual appointed representatives are approved by the governing body of the College District as an amendment to this Agreement.

5. TERM.

This Agreement shall take effect on the date as of which both parties have executed it and shall expire upon expiration or termination of the Zone, which currently is the earlier of (i) December 31, 2035 or an earlier termination date designated by ordinance subsequently adopted by the City Council of the City or, (ii) the date on which all project costs of the Zone, including, but not limited to, tax increment bonds and interest on those bonds, have been paid or otherwise satisfied in full.

6. TIF FUND ACCOUNTING.

No later than July 1 of each year following execution of this Agreement, the City shall provide the College District with an annual accounting of the funds deposited to and disbursed from the Tax Increment Fund, including accrued interest. After all project costs of the Zone have been paid or at the time of the expiration of this Agreement, any funds remaining in the Tax Increment Fund following the final annual accounting by the City shall be paid to those taxing units participating in the Zone in proportion to each taxing unit's share of the total amount of Tax Increment deposited into the Tax Increment Fund.

7. RESPONSIBILITY FOR ACTS.

The City and the College District shall each be responsible for the sole negligent acts of their officers, agents, employees or separate contractors. In the event of joint and concurrent negligence of both the City and the College District, responsibility, if any, shall be apportioned comparatively with the laws of the State of Texas, with the understanding that in either case, neither party waives any governmental powers or immunities or any other defenses available to each individually.

Any prior or contemporaneous oral or written agreement is hereby declared null and void to the extent in conflict with any provision of this Agreement. ORDINANCE NO. 1892

AN ORDINANCE DESIGNATING A CERTAIN CONTIGUOUS GEOGRAPHIC AREA IN THE CITY OF EULESS AS "TAX INCREMENT REINVESTMENT ZONE NUMBER THREE, CITY OF EULESS, TEXAS - GLADE PARKS"; CREATING A BOARD OF DIRECTORS FOR THE ZONE; PROVIDING THE EFFECTIVE AND TERMINATION DATES FOR THE ZONE; ESTABLISHING A TAX INCREMENT FUND FOR THE ZONE; AND CONTAINING OTHER MATTERS RELATED TO THE ZONE.

WHEREAS, the City Council desires to promote the development of a certain contiguous geographic area in the City, which is more specifically described in **Exhibit "A"** of this Ordinance (the "Zone"), through the creation of a new reinvestment Zone as authorized by and in accordance with the Tax Increment Financing Act, codified at Chapter 311 of the Texas Tax Code; and

WHEREAS, on or about September 1, 2010, the City provided written notice to the governing body of each taxing unit that levies real property taxes in the Zone of (i) the City's intent to establish the Zone; (ii) a description of the boundaries of the Zone; (iii) the City's tentative plans for development of the Zone; and (iv) an estimate of the general impact of the Zone on property values and tax revenues; and

WHEREAS, the City has prepared a preliminary financing plan for the Zone and provided a copy of that plan to the governing body of each taxing unit that levies taxes on real property in the Zone, as required by Section 311.003(b) of the Texas Tax Code; and

WHEREAS, in accordance with Section 311.003(f) of the Texas Tax Code, prior to passage of this Ordinance, the City made a presentation to the governing body of each county that levies real property taxes in the Zone and received a waiver of such presentation from the school district that levies real property taxes in the Zone, as agreed to by such governing bodies, which presentation, among other things, included (i) a description of the proposed boundaries of the Zone; (ii) the City's tentative plans for development of the Zone; and (iii) an estimate of the general impact of the Zone on property values and tax revenues; and

WHEREAS, on November 9, 2010, the City Council held a public hearing regarding the creation of the Zone and its benefits to the City and to property in the Zone and afforded a reasonable opportunity for (i) all interested persons to speak for or against the creation of the Zone, its boundaries or the concept of tax increment financing and (ii) owners of real property in the Zone to protest inclusion of their property in the Zone, as required by Sections 311.003(c) and (d) of the Texas Tax Code; and

WHEREAS, no owner of real property in the proposed Zone protested the inclusion of their property in the proposed Zone; and

WHEREAS, notice of the public hearing was published in a newspaper of general circulation in the City on October 29, 2010, which satisfies the requirement of Section 311.003(c) of the Texas Tax Code that publication of the notice occur not later than the seventh day before the date of the public hearing; and

WHEREAS, the City has provided all information and made all presentations, given all notices and done all other actions required by Chapter 311, Texas Tax Code, or other law as a condition to the creation of the proposed Zone;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EULESS, TEXAS:

Section 1. Findings.

- (a) That the facts and recitations contained in the preamble of this Ordinance are hereby found and declared to be true and correct and are adopted as part of this Ordinance for all purposes.
- (b) That the City Council further finds and declares that the proposed improvements in the Zone will significantly enhance the value of all the taxable real property in the proposed Zone and will be of general benefit to the City.
- (c) That the City Council further finds and declares that the proposed Zone meets the criteria and requirements of Section 311.005 of the Texas Tax Code because the proposed Zone is predominantly open and, because of obsolete platting, deterioration of structures or site improvements, or other factors, substantially impair or arrest the sound growth of the municipality and surrounding areas;
- (d) That the City Council, pursuant to the requirements of Chapter 311, Texas Tax Code, further finds and declares:
 - (1) That the proposed Zone is a contiguous geographic area located wholly within the corporate limits of the City of Euless;
 - (2) That the total appraised value of taxable real property in the proposed Zone does not exceed fifteen percent of the total appraised value of taxable real property in the City;

- (3) That ten percent or less of the property in the Zone, excluding property that is publicly owned, is used for residential purposes (defined as any property occupied by a house having fewer than five living units); and
- (4) That the development or redevelopment of the property in the proposed Zone will not occur solely through private investment in the reasonably foreseeable future.

Section 2. Designation of Zone.

That the City Council hereby designates the Zone described in the boundary description and depicted in the map, both attached hereto as **Exhibit "A"** and made a part of this Ordinance for all purposes, as a reinvestment Zone pursuant to and in accordance with Chapter 311 of the Texas Tax Code. This reinvestment Zone shall be known as "Tax Increment Reinvestment Zone Number Three, City of Euless, Texas - Glade Parks."

Section 3. Zone Board of Directors.

That a board of directors for the Zone ("**Board**") is hereby created. The Board shall consist of seven (7) members who shall serve for terms of two (2) years each. Of these seven (7) members, each taxing unit other than the City that levies taxes on real property in the Zone may, but is not required to, appoint one (1) member to the Board. After each taxing unit other than the City designates to the City either the name of the member that the taxing unit wishes to appoint or the fact that the taxing unit wishes to waive its right to appoint a member, the City Council shall appoint whatever number of members are necessary to fill the remaining positions on the Board. The Mayor shall annually nominate and appoint, subject to City Council approval, a member to serve as chair for a term of one year beginning January 1 of the following year per Section 311.009(f) of the Texas Tax Code. The City Council authorizes the Board of Directors to elect from its members a vice chair and such other officers as the Board of Directors sees fit.

The Board shall make recommendations to the City Council concerning the administration, management and operation of the Zone. The Board shall prepare and adopt a project plan and a reinvestment Zone financing plan for the Zone and submit such plans to the City Council for its approval. The Board shall perform all duties imposed upon it by Chapter 311 of the Texas Tax Code and all other applicable laws. Notwithstanding anything to the contrary herein, the Board shall not be authorized to (i) issues bonds; (ii) impose taxes or fees; (iii) exercise the power of eminent domain, or (iv) give final approval to the Zone's project plan and financing plan.

Section 4. Term of Zone.

That the Zone shall take effect upon the adoption of this Ordinance and terminate on the earlier of (i) December 31, 2035 or an earlier termination date designated by an Ordinance adopted after the effective date of this Ordinance or (ii) the date on which all project costs, tax increment bonds and interest on those bonds and other obligations have been paid in full.

Section 5. Determination of Tax Increment Base.

That the tax increment base for the Zone, as defined by Section 311.012(c) of the Texas Tax Code, shall be the total appraised value of all real property in the Zone taxable by a taxing unit for the year 2010, which is the year in which the Zone was designated as a reinvestment Zone.

Section 6. Tax Increment Fund.

That a tax increment fund for the Zone (the “TIF Fund”) is hereby established. The TIF Fund may be divided into additional accounts and sub-accounts authorized by resolution or Ordinance of the City Council. The TIF Fund shall consist of (i) the percentage of the tax increment, as defined by Section 311.012(a) of the Texas Tax Code, that each taxing unit which levies real property taxes in the Zone, other than the City, has elected to dedicate to the TIF Fund under an agreement with the City authorized by Section 311.013(f) of the Texas Tax Code, plus (ii) seventy-five percent (75%) of the City’s tax increment, as defined by section 311.012(a) of the Texas Tax Code, subject to any binding agreement executed at any time by the City that pledges a portion of such tax increment or an amount of other legally available funds whose calculation is based on receipt of any portion of such tax increment and (iii) 30% of the City’s 1% general sales tax rate, as defined by Section 311.0123(b) for years one through fifteen and 20% of the City’s 1% general sales tax rate, as defined by section 311.0123(b) for years sixteen through twenty five generated from taxable sales within the Zone above the sale tax base. The TIF Fund shall be maintained in an account at a depository bank of the City and shall be secured in the manner prescribed by law for Texas cities. In addition, all revenues from (i) the sale of any obligations hereafter issued by the City and secured in whole or in part from the tax increments; (ii) revenues from the sale of any property acquired as part of a tax increment financing plan adopted by the Board; and (iii) other revenues dedicated to and used in the Zone shall be deposited into the TIF Fund. Prior to the termination of the Zone, money shall be disbursed from the Tax Increment Fund only to pay project costs, as defined by the Texas Tax Code, for the Zone, to satisfy the claims of holders of tax increments bonds or notes issued for the Zone, or to pay obligations incurred pursuant to agreements entered into to implement the project plan and reinvestment Zone financing plan and achieve their purpose pursuant to Section 311.010(b) of the Texas Tax Code.

Section 7. Tax Increment Agreements.

That, pursuant to Sections 311.008 and 311.013 of the Texas Tax Code, the City Manager and City Attorney are hereby authorized to execute and deliver, for and on behalf of the City, tax increment agreements with taxing units that levy real property taxes in the Zone.

Section 8. Severability.

PROJECT PLAN

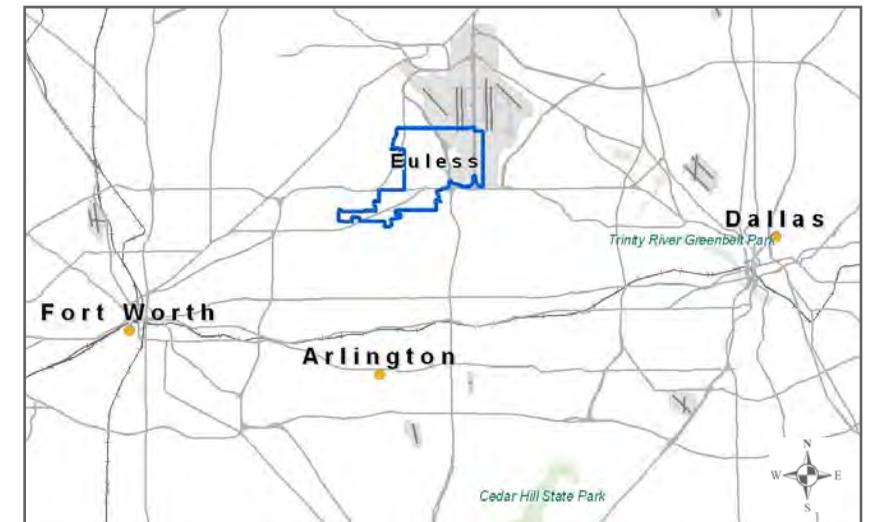

TIRZ PURPOSE

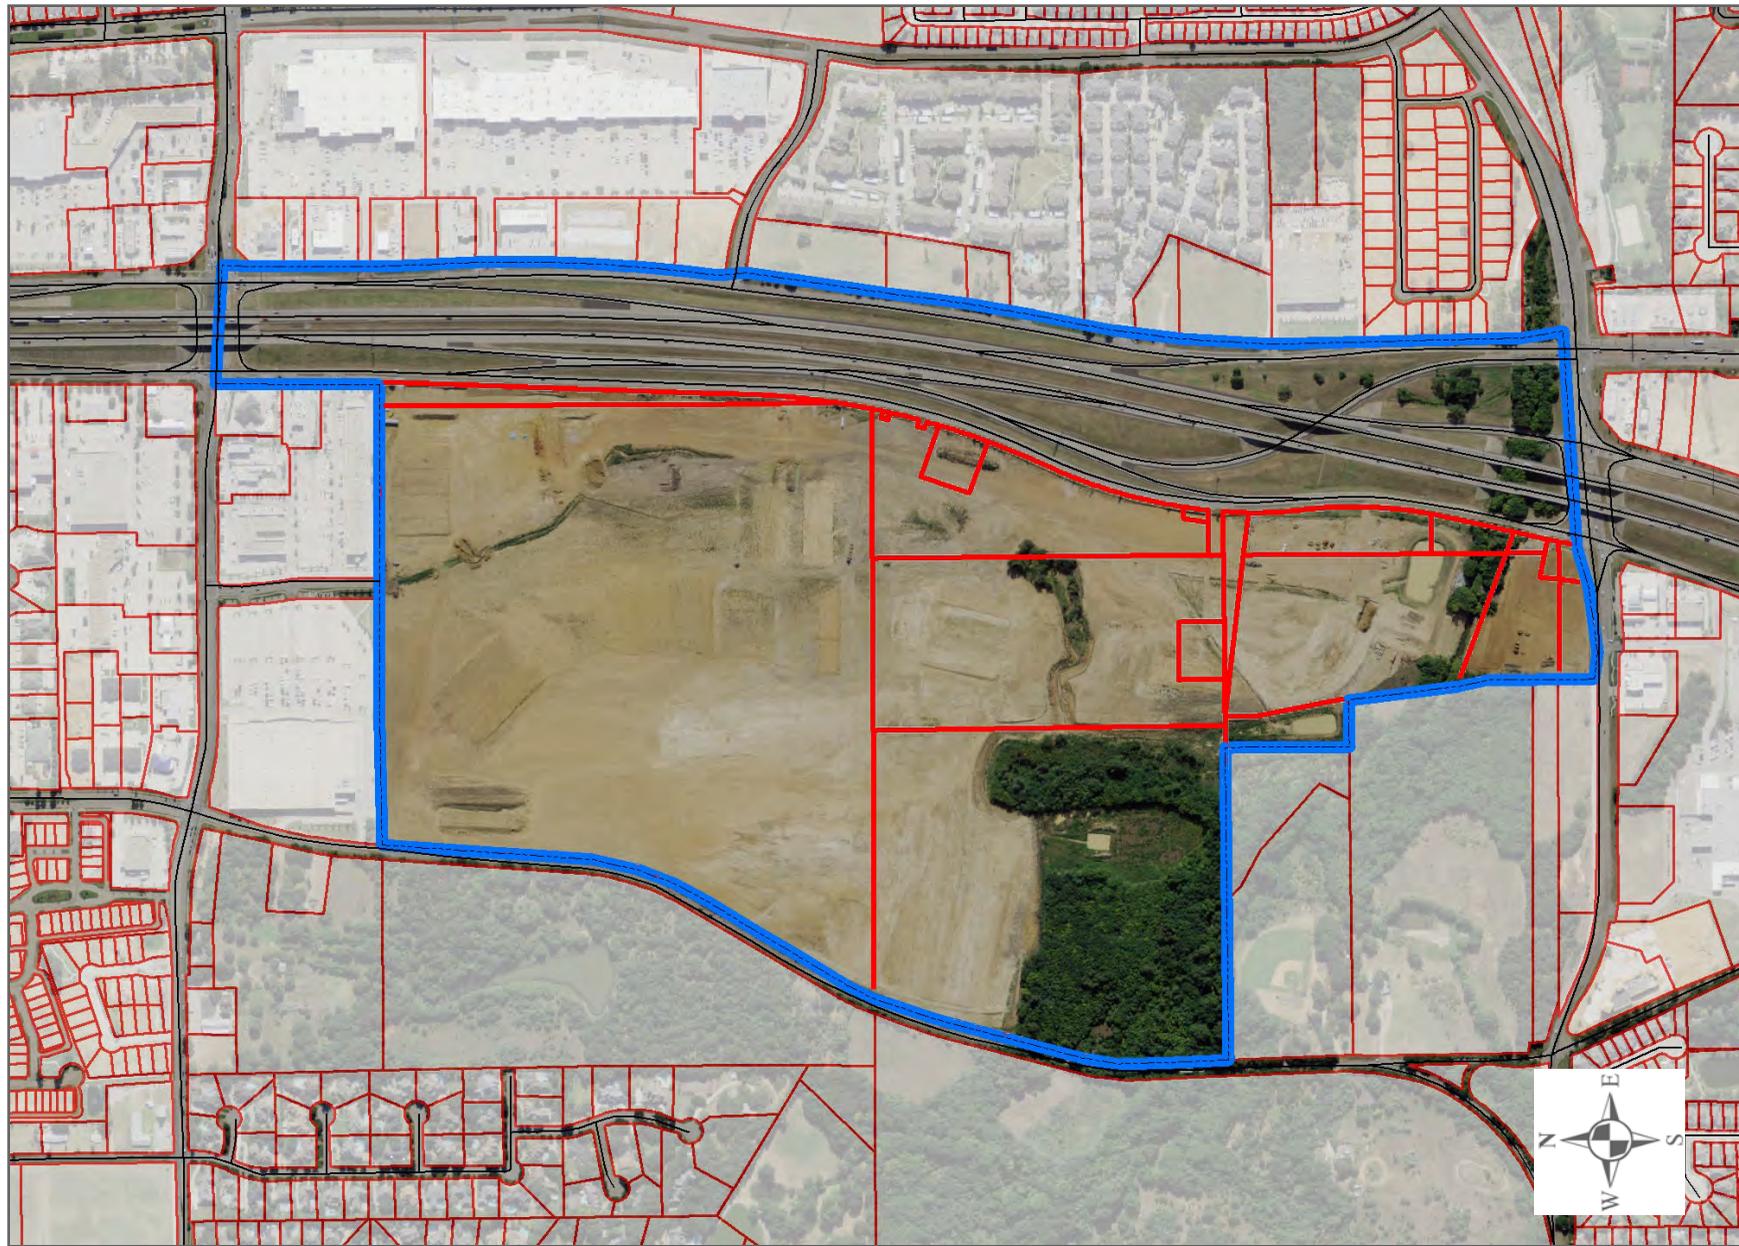

The goal of the Glade Parks Tax Increment Reinvestment Zone (TIRZ) is to fund the construction of needed public infrastructure to encourage private development that will yield additional tax revenue to all local taxing jurisdictions.

The Glade Parks TIRZ will facilitate the development of more than 1.5 million square feet of mixed-use development in the northwest corner of the City of Euless.

The preliminary project and financing plan outlines the funding of \$12.1 million in public improvements related to streets, wetland mitigation, sanitary line relocation, and decorative landscaping. The TIRZ will fund these improvements through ad valorem participation of eligible taxing jurisdictions and through the contribution of a portion of the City's sales tax receipts.

Without the implementation of the TIRZ, the specified property would continue to impair the sound growth of the municipality.

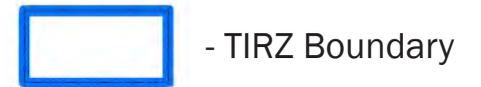

TIRZ BOUNDARY

Boundary Description

The proposed Glade Parks TIRZ is located in the northwest corner of the City of Euless along the western edge of State Highway 121. The TIRZ boundary encompasses approximately 266 acres and is bounded by 121 to the east, a Target shopping center to the north, Heritage Avenue to the west, and Cheek Sparger Road to the south.

As all of the land is currently vacant undeveloped land, it is not anticipated that any persons will be displaced or need to be relocated as result of implementing the TIRZ.

CURRENT ZONING

All of the property within the TIRZ is zoned Planned Development (PD). It is anticipated that there will slight modifications to the existing PD in near future. It is not anticipated there will be any other changes to the City of Euless zoning ordinance, master plan, building codes, subdivision rules and regulations or other municipal ordinances as a result of the TIRZ.

PROJECT PLAN

OWNERSHIP INFORMATION

All of the property within the TIRZ is currently owned by Glade 121 LP which is a subsidiary of Rubloff Development Group.

DEVELOPING REVENUE PROJECTIONS

Developing accurate projections of future tax revenue is important when assessing the feasibility of a TIRZ. Whether analyzing revenues to understand debt service coverage ratios or underwriting future reimbursement revenue streams, an accurate understanding of prospective cash flows provides all parties with greater insight and understanding of potential profits and pitfalls.

Effectively creating future revenue projections through the use of a taxable value analysis requires an accurate understanding of four key elements of all development projects.

1. Development Assumptions (see page 14)

There are two key components that must be accounted for when documenting the underlying assumptions of a new development project. First, expected development uses and square footages (or # of units) must be identified in order to effectively evaluate the expected taxable value of the project. Second, project feasibility must also be explored to evaluate the potential for the project to obtain financing in a timely manner.

2. Development Timeline (see page 15)

Understanding the proposed timing of the development provides insight into expected dates the TIRZ will have revenue to pay for infrastructure improvements. It is important to note that revenue is generally received by a TIRZ 18 months after initial valuation due to the appraisal and collection time line provided by the appraisal district.

3. Identification of Comparable Properties (see page 16)

Using the per square foot taxable value of currently appraised properties within the County, in conjunction with the identified development assumptions, provides the taxable value analysis with an effective means to identify the potential assessed value of proposed development.

4. Creation of Revenue Estimates (see page 17-33)

Lastly, the aforementioned data points are gathered and combined with current tax rates for real property, sales tax and hotel occupancy tax to determine the total potential amount of direct taxes that could be generated by the project.

Development assumptions, shown to the left, were created based upon the current site plan, which provides the TIRZ revenue analysis with the necessary assumptions to determine the ultimate tax revenue potential of the development.

As is displayed to the left, Glade Parks is a retail intensive mixed-use development with single family and multifamily residential being developed in phase three, four and seven of the development.

Anticipated Development Schedule

Tax Revenue Collection Dates

When developing a taxable value analysis it is important to understand the time line of when the development will be constructed and the expected dates the TIRZ will begin to collect revenue. As a general rule of thumb, the TIRZ will receive property tax revenue approximately 18 months after a property is appraised and will receive sales tax revenue on a monthly basis shortly after it is collected by the comptroller.

The phasing schedule shows expected construction dates above the line and important revenue dates below the line.

COMPARABLE PROPERTY TAXABLE VALUE REVIEW

To identify the per square foot taxable value of comparable properties, we utilized Tarrant Appraisal District (TAD) data from throughout Tarrant County. With the State of Texas requirement that all appraisal be “fair and equitable” it is a reasonable assumption that the Glade Parks development will have a comparable taxable value to other similar developments within the county. TAD delineates properties by real estate class based on a number of characteristics such as construction type, final use and the quality of the asset. The classes of property listed to the left are analogous to the proposed Glade Parks development.

Shown below are the final per square foot taxable values which were selected for the specific property classes. Additionally, we have provided estimates of per square foot sales tax numbers, which were derived from a variety of sources but should ultimately be considered conservative estimates.

Appendix A provides an overview of the 50 properties with the highest per square foot taxable values in their respective categories.

Following the identification of the appropriate per square foot taxable values of comparable properties, Gideon Toal identified potential TIRZ participation rates. The participation rates were developed based upon discussions with City and County staff. It is anticipated that the City of Euless will participate at 75% of their ad valorem tax rate for 25 years, Tarrant County College District will participate at 50% for 25 years and Tarrant County will participate at 75% for 15 years and 50% for 10 years.

The taxable value analysis within this document assumes that if a TIRZ is established, a subsequent TIF agreement would replace the current Chapter 380 economic development agreement. The sales tax contributions are assumed to be 30% of the unrestricted one cent for 15 years and 20% of the unrestricted one cent for 10 years.

The delta between the participation rates and the total tax rates would flow through to the taxing jurisdictions, providing all organizations with substantial net benefits.

With a current taxable value of \$25,466,768 the glade parks TIRZ is appraised at approximately \$3 per square foot. The taxable value analysis projected the amount of incremental revenue generated by the Glade Parks Development over a 25 year period assuming the timely construction of the phases as presented on Page 15. With an incremental taxable value increase of ~\$245 million, Glade Parks generates ~\$217 million in total tax revenue. With the participation rates outlined on the previous page, our projections estimate that the TIRZ would collect ~\$44 million providing taxing jurisdictions with over \$173 million in net benefits. It is expected that the TIRZ would finance all projects outlined on page 12.

WHEREAS, the Euless City Council approved Ordinance No. 1892 dated, November 9, 2010, establishing Tax Increment Reinvestment Zone Number Three, City of Euless, Texas, in accordance with the Tax Increment Financing Act, to promote development of property in the Zone and the construction of new residential, commercial and retail development by providing for infrastructure improvements through the use of tax increment financing; and

WHEREAS, in accordance with the requirements of the Act, the Euless City Council has given all applicable notices to the Tarrant County College District Board of Trustees as to the City Council's establishment of the tax increment reinvestment zone and, through its appointed representatives, has made a formal presentation to the Tarrant County College District Board of Trustees regarding the reinvestment zone; and
