SUMMARY OF SUBJECT:

The Public Works Department has collaborated with Tarrant County on the proposed Interlocal Agreement. Key components of the Agreement are noted below:

- Tarrant County will provide the labor, superintendence and equipment necessary to place an HMAC overlay on Lakewood Boulevard, Bear Creek Drive and Ash Lane.
- Tarrant County will provide temporary pavement markings during the project and provide permanent striping upon project completion.
- The City of Euless will provide the actual materials used in the project.
- The City of Euless will be responsible for the milling of Lakewood Boulevard, Bear Creek Drive and Ash Lane prior to the overlay.
- The City of Euless will be responsible for all traffic control and the adjustment of existing valves, manholes, and utilities.

Tarrant County Commissioners Court will consider approval of the Interlocal Agreement at a regularly scheduled meeting.
