Dear Mr. Steven Cook,

I am familiar with the presentation produced by Realty Capital dated 6-22-2010. The proposed flexible plan includes urban housing, townhouses, mix use residential of high quality, different types of office buildings, general and destination retail, a hotel and entertainment facilities.

As I understand the City Council of Euless is in favor of such a development.

It is my pleasure to endorse the master plan as presented.

This large parcel presently zoned C2 deserves and needs to be changed to a "Planned Development" zoning.

Sincerely,

Lieven J. Van Riet
