SUMMARY OF SUBJECT:

The Baze Road construction project is located in the Grapevine Elementary School Attendance Zone. Construction activities may disrupt the ability for children in the area of Baze Road to have an unencumbered path to walk to school. Providing a special bus service will minimize any potential contact between walking school children and construction activities.

City staff has coordinated with GCISD to develop an ILA to provide school bus service for those in the Baze Road construction zone to the Grapevine Elementary school. The bus service will provide a morning pickup and an afternoon drop off. The cost for providing this bus service from August 1, 2011, to January 31, 2011, is \$5,464.00.

Your approval of this ILA is requested.
