Re: Ash Lane Reconstruction BID#004-11

Dear Allen:

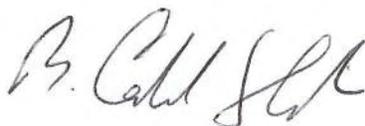

Bids were opened on July 13, 2011 for the Ash Lane Reconstruction project. There were six submitted bids for the project with the low bid of \$901,292.90 submitted by Stabile & Winn, Inc., and a high bid of \$1,086,565.50 submitted by Conaster Construction TX, LP.

It is our understanding that this Contractor has not previously performed any work for the City of Euless. We contacted the references at the Cities of Haltom City, Arlington, Mansfield and Fort Worth provided by Stabile and Winn, Inc. and all parties were satisfied with the Contractor's work. The Contractor appears to have the equipment and experience necessary to perform the work on this project.

We recommend the City of Euless award the contract to the low bidder, Stabile & Winn, Inc. for the Ash Lane Reconstruction project in the amount of \$901,292.90.

Should you have any questions, or need any additional information, please contact me at 214-217-2282

Sincerely,

B. Caleb Thornhill, P.E.
