SUMMARY OF SUBJECT:

The Purchasing Department requested competitive sealed bids, (Bid No. 009-10) in May 2010, for asphalt street repairs to maintain the City of Euless' asphalt streets. The quantities represented in the bid were estimations based on experience and prior history. The City of Euless will only utilize the services as needed and will be billed only for the actual services supplied. The bid included provisions for two (2), one (1) year renewal options. This is the first option. Reliable Paving, Inc. has agreed to continue with the same pricing as last year.
