SUMMARY OF SUBJECT:

The City of Euless establishes Interlocal Purchasing Agreements with cities when it is advantageous to take advantage of combined quantities or by obtaining pricing offered to a larger entity. Items such as library books, maintenance services, fuel, and street materials are currently purchased through interlocal purchase agreements.

This agreement would allow the City of Euless and the City of Grand Prairie to purchase items off each city's contracts as needed. The City of Euless intends to purchase concrete off the City of Grand Prairie's contract with Redi-Mix Concrete, Euless, Texas and secondary suppliers; Latimore Materials, McKinney, Texas and Custom Crete, Dallas, Texas as needed.

Staff recommends that the City Council authorize the City Manager to enter into an Interlocal Purchasing Agreement with the City of Grand Prairie.
