

MARTIN EAGLE

OIL COMPANY, INC.

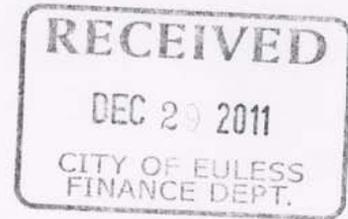

Tarrant County Fuel Contract 2010-046

December 27, 2011

To: Tarrant County and Adjoined Entities

From: Martin Eagle Oil Company Inc.

Subject: Request to End Contract

In our agreement we have a clause that allows either party to end the agreement with a 30 day written notice. This letter serves as a written notice Martin Eagle wishes to terminate the current contract 30 days from this date.

The non-renewal of the ethanol tax credit for gasoline will cause Martin Eagle substantial losses on all gasoline sales. Diesel fuel is not affected by this non-renewal. It is with the greatest regret that we request that this bid be cancelled and placed for rebid.

Martin Eagle looks forward to bidding a new contract that will be to the benefit of all concerned and we thank you for the business that you all have giving us over these past years. If you have questions please contact me by email, phone, or fax.

Respectfully,

Phillip Childers III
