

**Notes**

There shall be no parking along the front of Lot 10, Block D, and the side of Lots 4 & 5, Block E (Along Llano Drive) as shown on the plan by a posted "NO PARKING" sign until such that the time EAE (Emergency Access Easement) through Lot 10, Block D has been removed.

No trees shall be planted within Lot 10, Block D or the right-of-way adjacent to Lot 10, Block D until such time as the EAE has been removed.

Lot 10, Block D is to be used for a temporary secondary emergency access until such time that the EAE has been removed. A 6' masonry screening wall along the back of Lot 10, Block D and a 4' wide sidewalk along Red River Drive shall be constructed following the removal of the EAE.
