### **ALTERNATIVES:**

### **SUMMARY OF SUBJECT:**

The triangular shaped tract of land bounded by Cheek-Sparger Road, Heritage Avenue and Woodpark Lane lies within the City of Euless. The right-of-way for Woodpark Lane north of Cheek-Sparger and a portion of the Cheek-Sparger right-of-way is also included in the triangular shaped tract. The area of the tract, including the right-of-way, is approximately 4.438 acres and is undeveloped. The pavement on Woodpark Lane is in a deteriorated condition and the Cheek-Sparger pavement is in need of maintenance.

The City of Euless staff and the City of Colleyville staff have discussed this tract and have agreed that it is in the best interests of both cities that Euless disannex the tract and that Colleyville annex the tract. Section 43.031 of the Local Government Code authorized adjacent municipalities to make mutually agreeable changes in their boundaries of areas less than 1,000 feet in width.

The City of Euless will act on the Boundary Adjustment Agreement first and the City of Colleyville will act on the agreement second. City staff recommends and requests your approval of Ordinance No. 1945 to accomplish the Boundary Adjustment Agreement.
