SUMMARY OF SUBJECT:

The City of Euless establishes Interlocal Agreements with cities when it is beneficial to take advantage of combined quantities or by obtaining pricing offered to a larger entity. Items such as library books, maintenance services, fuel, and street materials are currently purchased through Interlocal Agreements.

This agreement would allow the City of Euless and the City of Mineral Wells to purchase items off each city's contracts as needed. The City of Mineral Wells intends to use the City of Euless' pricing with Viking Construction for slurry seal.

Staff recommends the Council authorize the City Manager to enter into an Interlocal Agreement with the City of Mineral Wells.
