RE: Pharmacy Benefits Management Agreement with LDI

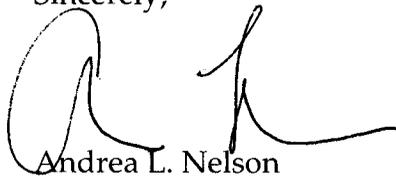

Dear Ms. Getchell:

This letter is in response to your request for a summary of the term and termination provisions in the Pharmacy Benefits Management Agreement ("PBM Agreement") between LDI Integrated Pharmacy Services ("LDI") and the City of Euless.

The PBM Agreement between LDI and the City of Euless became effective on October 1, 2010. The initial term of the Agreement is two (2) years, through October 1, 2012. However, if the City of Euless wishes to continue receiving services from LDI after October 1, 2012 and does not provide notice of intent to not renew, the PBM Agreement will automatically renew at the current rates on October 1, 2012 for another two (2) year renewal term. LDI values our relationship with the City of Euless and hopes to continue providing services during the renewal term.

Please do not hesitate to contact me if you have any questions. Thank you.

Sincerely,

Andrea L. Nelson
General Counsel
LDI Integrated Pharmacy Services
