

EMPLOYEE OF THE MONTH
JAMES MOY – OCTOBER 2012
Senior Inspector

Education, Training & Licenses:

Jim hails from Derry, New Hampshire -- *home of Allen B. Sheppard, the first astronaut to journey into space.* He graduated from Pinkerton Academy in Derry and attended Plano University in Plano, Texas where he majored in business. Jim says he has had training in all aspects of the building trades and continues to learn something new everyday. He is a Master Electrician, Plumbing Inspector, Code Inspector, and a Fire Inspector.

Employment Background & Experience:

Jim was a Jet Engine Mechanic with the United States Navy (1965-1969). After being honorably discharged from the Navy, he went to work for Wade Electric Company as an electrician. Jim was hired with the City of Euless in 1983 as an Electrical Inspector and promoted to his current position as Senior Inspector in 1990.

Awards, Recognition, Associations, & Personal Data:

He is a member of Fellowship Church and the IAEI (International Association of Electrical Inspectors). He enjoys spending time with his family, old cars, and wood crafts. Jim was the recipient of the November 1993 Employee of the Month award.
