

**FIFTEEN YEARS OF SERVICE**  
**BRAD SMITH – November 1997**  
Lieutenant – Fire Department

**Education, Training & Licenses:**

Brad graduated from Lewisville High School in Lewisville, Texas. He has attended Cooke County College and Tarleton State University, and earned his associate's degree in fire services administration from Weatherford College. He holds the following certifications: Licensed Paramedic, Driver/Operator - Pumper, Master Firefighter, Fire Service Instructor II, and Fire Officer I. He is also a residential wireman.

**Employment Background & Experience:**

While in high school, Brad worked as a pharmacy technician for Kroger and also as a veterinary assistant in Lewisville. To supplement his income while at Tarleton, he worked for Pizza Hut, was a computer lab instructor at Tarleton, worked in sales and installation of car audio components, and built and repaired computers. For four years, he worked as a warehouse and service supervisor for a lighting company in Lewisville. He then decided to pursue a career in Fire/EMS. Prior to his arrival at the Eules Fire Department, Brad worked as a paramedic for three years with Rural/Metro Ambulance Service in Grand Prairie, Hurst, and Watauga and was an ER Paramedic for the Lewisville Medical Center. He has held the following positions at the City of Eules: Firefighter II and Driver/Engineer. He promoted to Fire Lieutenant in February, 2012.

**Awards, Recognition, Associations, & Personal Data:**

Brad is a member of the International Association of Fire Fighters and the Eules Fire Fighters Association. He has received Distinguished Unit Awards in 2002, 2009, and 2010 and numerous commendations. He enjoys hunting, fishing, woodworking, and spending time with his family. Brad especially loves his job because it gives him the ability and opportunity to help those in need.
