

CITY COUNCIL COMMUNICATION

January 22, 2013

SUBJECT: SB 1420 Committee Appointment

SUBMITTED BY: Gary McKamie, City Manager

REFERENCE NO: Resolution No. 13-1402

ACTION REQUESTED:

Consider approval of Resolution No. 13-1402 appointing a representative to the SB 1420 Committee for SH 183 Managed Lanes Project which extends from SH 121 to IH 35E and providing for an investment of right of way in the project.

ALTERNATIVES:

- Table the request
- Deny the request

SUMMARY OF SUBJECT:

The Dallas district of TxDOT has been planning for future improvements to the portion of SH183 that extends east from the county line to I35E. The Dallas district is working under SB1420 which generally provides for a committee comprised of the governmental entities along a qualifying corridor. To gain a seat on the committee, a governmental entity must adjoin the corridor and must provide some level of financial commitment to the project. The committee is referred to as a 1420 committee. The current 1420 committee for the SH183 East project is comprised of representatives from Dallas, Irving, Dallas County, NTTA and NCTCOG. The most recent proposal from RTC and TxDOT removes segment 2E from the NTEMP project and wraps it into the SH 183 Managed Lanes Project. RTC has requested that Euless adopt a resolution appointing a representative to serve on behalf of the City of Euless and committing financial support to the expanded project.

Staff recommends that our financial consideration be the dedication of right of way owned by the City and needed for the project which has an estimated value of \$309,499.
