

**THIRTY YEARS OF SERVICE**  
**STEVE MAYO - MARCH 1983**  
Firefighter/Driver – Fire Department

**Education, Training & Licenses:**

Following graduation from Nimitz High School in Irving, Steve attended North Lake College. He is a Certified Intermediate Firefighter, a Certified Fire Service Instructor I, and a Certified EMT.

**Employment Background & Experience:**

Steve is very proud of the fact he has held only two jobs in his whole life. As a teenager in 1976, Steve accepted employment with Ray's Lawn Care and subsequently worked there on a part-time basis while serving as a Euless firefighter. Due to his interest in landscaping, he became the owner of his own landscaping business. He became a Firefighter/Driver for the City in 1983; and the rest, as they say, is history.

**Awards, Recognition, Associations, & Personal Data:**

While with the Euless Fire Department, he has been awarded the following: 1983 Rookie of the Year; Driver of the Year in 1992, 1995, 1996, 2000, 2001, and 2002; 2011 Distinguished Unit Award; and the City of Euless Employee of the Month Award in April 2001. He is also a member of the Euless Firefighters Association. Steve enjoys spending time with his wife and his dogs.
