

ORDINANCE NO. _____

AN ORDINANCE authorizing the issuance of “CITY OF EULESS, TEXAS, WATERWORKS AND SEWER SYSTEM REVENUE BONDS, SERIES 2013”; pledging net revenues of the City’s Waterworks and Sewer System to the security of and the payment of the principal of and interest on such obligations; providing for the sale and delivery thereof, including the approval and execution of a Paying Agent/Registrar Agreement and a Bond Purchase Agreement, and the approval and distribution of a Preliminary Official Statement and an Official Statement pertaining thereto; enacting provisions incident and related to the purposes and subject of this ordinance; and providing an effective date.

WHEREAS, under the provisions of V.T.C.A., Government Code, Chapter 1502, as amended, the City of Euless, Texas (the “City”) is authorized to issue waterworks and sewer system revenue bonds for the purpose of providing money for constructing improvements and extensions to the City’s Waterworks and Sewer System (the “System”); and

WHEREAS, the City Council of the City (the “Council”) further finds and determines that such revenue bonds can and should be issued on a parity with the outstanding and unpaid revenue bonds of the City (hereinafter identified and defined as “Previously Issued Bonds”) payable from and secured by a first lien on and pledge of the Net Revenues of the System in that (i) the City is not now in default as to any covenant, condition or obligation contained in the ordinances authorizing the issuance of the outstanding Previously Issued Bonds, (ii) the laws of the State of Texas now in force provide for the issuance of the bonds herein authorized to be issued, (iii) each of the special Funds created and reaffirmed by the ordinances authorizing the Previously Issued Bonds contains the amount of money now required to be on deposit therein; (iv) the “Net Revenues” of the System for the fiscal year next preceding the month of the adoption of this Ordinance, as shown by a report of a Certified Public Accountant or licensed public accountant, are equal to at least one and one-fourth (1¼) times the average annual principal and interest requirements of all bonds secured by a first lien on and pledge of the Net Revenues of the System, and which will be outstanding upon the issuance of the bonds herein authorized; (v) this Ordinance provides that the amount to be accumulated and maintained in the Bond Reserve Fund shall be increased to an amount equal to not less than the average annual principal and interest requirements of all bonds payable from and secured by a first lien on and pledge of the Net Revenues of the System (after giving effect to the issuance of the bonds herein authorized) and any additional amount to be maintained in said Fund shall be accumulated within not more than five (5) years and one (1) month from the date of the passage of this Ordinance; and (vi) the bonds herein authorized shall mature on July 15 in each year; now, therefore,

WHEREAS, the Council has found and determined and does hereby find and determine that it is necessary and in the best interest of the City and its citizens to issue the Bonds and make the improvements and extensions to the System authorized by this Ordinance; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EULESS:

Interest on the Bonds shall be payable on January 15 and July 15 in each year, commencing January 15, 2014, until maturity or prior redemption.

SECTION 3: Terms of Payment - Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Bonds, due and payable by reason of maturity, redemption or otherwise, shall be payable only to the registered owners or holders of the Bonds (hereinafter called the “Holders”) appearing on the registration and transfer books maintained by the Paying Agent/Registrar and the payment thereof shall be in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders.

The selection and appointment of U.S. Bank National Association, Dallas, Texas (the “Paying Agent/Registrar”) to serve as Paying Agent/Registrar for the Bonds is hereby approved and confirmed. Books and records relating to the registration, payment, transfer and exchange of the Bonds (the “Security Register”) shall at all times be kept and maintained on behalf of the City by the Paying Agent/Registrar, as provided herein and in accordance with the terms and provisions of a “Paying Agent/Registrar Agreement”, substantially in the form attached hereto as **Exhibit A**, and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The Mayor or Mayor Pro Tem and the City Secretary are authorized to execute and deliver such Paying Agent/Registrar Agreement in connection with the delivery of the Bonds. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a commercial bank, trust company, financial institution or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice thereof to be sent to each Holder by United States Mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Bonds, shall be payable at the Stated Maturities or on a date of earlier redemption thereof only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated offices, initially in St. Paul, Minnesota, or, with respect to a successor Paying Agent/Registrar, at the designated offices of such successor (the “Designated Payment/Transfer Office”). Interest on the Bonds shall be paid to the Holders whose names appear in the Security Register at the close of business on the Record Date (the last business day of the month next preceding each interest payment date) and shall be paid by the Paying Agent/Registrar (i) by check sent United States Mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to

close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 4: Redemption.

(a) Optional Redemption. The City reserves the right and option to redeem the Bonds maturing on and after July 15, 2024, in whole or in part, before their respective scheduled maturity dates, on July 15, 2023, or on any date thereafter at a price equal to the principal amount of the Bonds so called for redemption plus accrued interest from the most recent interest payment date on which interest has been paid or duly provided for to the date fixed for redemption.

At least forty-five (45) days prior to a redemption date for the Bonds (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of the decision to redeem Bonds, the principal amount of each Stated Maturity to be optionally redeemed, and the date of redemption therefor. The decision of the City to exercise the right to optionally redeem Bonds shall be entered in the minutes of the governing body of the City.

(b) Mandatory Redemption. The Bonds maturing on July 15 in each of the years 20__ and 20__ (the "Term Bonds") shall be subject to mandatory redemption in part prior to maturity at the redemption price of par and accrued interest to the date of redemption on the respective dates and in principal amounts as follows:

Term Bonds due July 15, 20__		Term Bonds due July 15, 20__	
<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u>
July 15, 20__		July 15, 20__	
July 15, 20__		July 15, 20__	
July 15, 20__*		July 15, 20__*	

* Stated maturity.

Approximately forty-five (45) days prior to each mandatory redemption date for the Term Bonds, the Paying Agent/Registrar shall select by lot the numbers of the Term Bonds within the applicable Stated Maturity to be redeemed on the next following July 15 from moneys set aside for that purpose in the Bond Fund (as hereinafter defined). Any Term Bond not selected for prior redemption shall be paid on the date of their Stated Maturity.

The principal amount of the Term Bonds for a Stated Maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Bonds of like Stated Maturity which, at least 50 days prior to the mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions set forth in paragraph (a) of this Section and not theretofore credited against a mandatory redemption requirement.

(c) Selection of Bonds for Redemption. If less than all Outstanding Bonds of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall treat such Bonds as representing the number of Bonds Outstanding, which is obtained by dividing the principal amount of such Bonds by \$5,000, and shall select the Bonds to be redeemed within such Stated Maturity by lot.

(d) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States Mail, first class postage prepaid, in the name of the City and at the City's expense, to each Holder of a Bond to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Bonds, (ii) identify the Bonds to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Bonds, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Bonds, or the principal amount thereof to be redeemed, shall be made at the Designated Payment/Transfer Office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder. If a Bond is subject by its terms to prior redemption and has been called for redemption and notice of redemption thereof has been duly given as hereinabove provided, such Bond (or the principal amount thereof to be redeemed) shall become due and payable and interest thereon shall cease to accrue from and after the redemption date therefor; provided moneys sufficient for the payment of such Bond (or of the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar.

(e) Conditional Notice of Redemption. With respect to any optional redemption of the Bonds, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in

the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

SECTION 5: Registration - Transfer - Exchange of Bonds - Predecessor Bonds. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each registered owner of the Bonds issued under and pursuant to the provisions of this Ordinance. Any Bond may, in accordance with its terms and the terms hereof, be transferred or exchanged for Bonds of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Bond (other than the Initial Bond(s) authorized in Section 8 hereof) at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds, executed on behalf of, and furnished by, the City of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bond(s) authorized in Section 8 hereof) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of, and furnished by, the City, to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the Designated Payment/Transfer Office of the Paying Agent/Registrar, or sent by United States Mail, first class postage prepaid, to the Holder and, upon the delivery thereof, the same shall be valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered in lieu thereof pursuant to Section 31 hereof and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption of such Bond; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION 6: Book-Entry-Only Transfers and Transactions. Notwithstanding the provisions contained in this Ordinance relating to the payment and transfer/exchange of the Bonds, the City hereby approves and authorizes the use of the “Book-Entry-Only” securities clearance, settlement, and transfer system provided by The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York (“DTC”), in accordance with the requirements and procedures identified in the DTC Operational Arrangements memorandum, as amended, the Blanket Issuer Letter of Representations, by and between the City and DTC, and the Letter of Representations from the Paying Agent/Registrar to DTC (collectively, the “Depository Agreement”) relating to the Bonds.

Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the “DTC Participants”). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the “Beneficial Owners”) being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 3, 4 and 5 hereof.

SECTION 7: Execution - Registration. The Bonds shall be executed on behalf of the City by the Mayor under its seal reproduced or impressed thereon and countersigned by the City Secretary. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the Bond Date shall be deemed to be duly executed on behalf of the City, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in V.T.C.A., Government Code, Chapter 1201, as amended.

No Bond shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 9(c), manually executed by the Comptroller of Public Accounts of the State of Texas or his duly authorized agent, or a certificate of registration substantially in the form provided in Section 9(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate upon any

Bond duly signed shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered and delivered.

SECTION 8: Initial Bond(s). The Bonds herein authorized shall be initially issued either (i) as a single fully registered bond in the aggregate principal amount of the Bonds with principal installments to become due and payable as provided in Section 2 hereof and numbered T-1, or (ii) as multiple fully registered bonds, being one bond for each year of maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (hereinafter called the "Initial Bond(s)") and, in either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond(s) shall be the Bond(s) submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond(s) delivered hereunder and exchange therefor definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 9: Forms. (a) Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends in the event the Bonds, or any maturities thereof, are purchased with insurance and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the City or determined by the officers executing such Bonds as evidenced by their execution thereof. Any portion of the text of any Bonds may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The definitive Bonds and the Initial Bond(s) shall be printed, lithographed, engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution thereof.

Interest is payable to the registered owner of this Bond (or one or more Predecessor Bonds, as defined in the Ordinance hereinafter referenced) whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the last business day of the month next preceding each interest payment date and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$_____ (herein referred to as the “Bonds”) for the construction, acquisition, purchase, renovation, enlargement, equipment and improvement of waterworks and sewer system properties and facilities, including the acquisition of land and rights-of-way therefor and paying costs of issuance, under and in strict conformity with the Constitution and laws of the State of Texas, including V.T.C.A., Government Code, Chapter 1502, as amended, and pursuant to an Ordinance adopted by the City Council of the City (herein referred to as the “Ordinance”).

The Bonds maturing on the dates hereinafter identified (the “Term Bonds”) are subject to mandatory redemption prior to maturity with funds on deposit in the Bond Fund established and maintained for the payment thereof in the Ordinance, and shall be redeemed in part prior to maturity at the price of par and accrued interest thereon to the date of redemption, and without premium, on the dates and in the principal amounts as follows:

* Stated maturity.

The particular Term Bonds of a stated maturity to be redeemed on each redemption date shall be chosen by lot by the Paying Agent/Registrar; provided, however, that the principal amount of Term Bonds for a stated maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Bonds of like stated maturity which, at least 50 days prior to the mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not theretofore credited against a mandatory redemption requirement.

The Bonds maturing on and after July 15, 2024, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on July 15, 2023, or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty (30) days prior to the date fixed for any redemption of Bonds, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Bond to be redeemed, in whole or in part, at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinance. If a Bond (or any portion of its principal sum) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor; provided moneys for the payment of the redemption price and the interest on the principal amount to be

redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the principal amount of a Bond is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Ordinance for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within forty-five (45) days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

The Bonds are special obligations of the City and, together with the outstanding Previously Issued Bonds, are payable solely from and equally and ratably secured by a first lien on and pledge of the Net Revenues of the City's Waterworks and Sewer System (the "System"). The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the System, except with respect to the Net Revenues. The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Subject to satisfying the terms and conditions prescribed therefor, the City has reserved the right to issue additional revenue obligations payable from and equally and ratably secured by a parity lien on and pledge of the Net Revenues of the System, in the same manner and to the same extent as the Previously Issued Bonds and the Bonds.

Reference is hereby made to the Ordinance, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for the Bonds; the properties constituting the System; the Net Revenues pledged to the payment of the principal of and interest on the Bonds; the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds; the terms and conditions for the issuance of additional revenue obligations; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and

provisions upon which the liens, pledges, charges and covenants made therein may be discharged at or prior to the maturity or redemption of this Bond, and this Bond deemed to be no longer Outstanding thereunder; and for the other terms and provisions contained therein. Capitalized terms used herein have the same meanings assigned in the Ordinance.

This Bond, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the registered owner hereof whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal hereof at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of non-payment of interest on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented and covenanted that the City is a duly organized and legally existing municipal corporation under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is duly authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinance; that the Bonds do not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by a pledge of the Net Revenues of the System as aforesated. In case any provision in this Bond or any application thereof shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be duly executed under the official seal of the City as of the Bond Date.

The City of Euless (hereinafter referred to as the “City”), a body corporate and municipal corporation in the County of Tarrant, State of Texas, for value received, hereby promises to pay to the Registered Owner named above, or the registered assigns thereof, solely from the revenues hereinafter identified, the Principal Amount hereinabove stated on July 15 in each of the years and in principal installments in accordance with the following schedule:

<u>YEAR</u>	<u>PRINCIPAL INSTALLMENTS</u>	<u>INTEREST RATE</u>

(Information to be inserted from schedule in Section 2 hereof)

(or so much principal thereof as shall not have been redeemed prior to maturity) and to pay interest, computed on the basis of a 360-day year of twelve 30-day months, on the unpaid principal amounts hereof from the date of delivery to the initial purchaser(s) (July 25, 2013) at the per annum rates of interest specified above; such interest being payable on January 15 and July 15 in each year, commencing January 15, 2014, until maturity or prior redemption. Principal installments of this Bond are payable in the year of maturity or on a redemption date to the registered owner hereof by U.S. Bank National Association, Dallas, Texas (the “Paying Agent/Registrar”), upon its presentation and surrender at its designated offices, initially in St. Paul, Minnesota, or, with respect to a successor paying agent/registrar, at the designated office of such successor (the “Designated Payment/Transfer Office”). Interest is payable to the registered owner of this Bond whose name appears on the “Security Register” maintained by the Paying Agent/Registrar at the close of business on the “Record Date”, which is the last business day of the month next preceding each interest payment date and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a

legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

SECTION 10: Definitions. For all purposes of this Ordinance and in particular for clarity with respect to the issuance of the Bonds herein authorized and the pledge and appropriation of revenues to the payment of the Bonds, the following definitions are provided:

(a) The term “Additional Bonds” shall mean the additional parity revenue bonds the City reserves the right to issue in accordance with the terms and conditions prescribed in Section 23 hereof.

(b) The term “Bonds” shall mean the “City of Euless, Texas, Waterworks and Sewer System Revenue Bonds, Series 2013” authorized by this Ordinance.

(c) The term “Bonds Similarly Secured” shall mean the Previously Issued Bonds, the Bonds and Additional Bonds.

(d) The term “Fiscal Year” shall mean the twelve-month operating period for the System ending September 30 of each year.

(e) The term “Government Obligations” shall mean (i) direct noncallable obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, (ii) noncallable obligations of an agency or instrumentality of the United States, including obligations unconditionally guaranteed or insured by an agency or instrumentality of the United States of America and, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent and (iv) any other then authorized securities or obligations that may be used to defease obligations such as the Bonds under the then applicable laws of the State of Texas.

(f) The term “Net Revenues” shall mean and include the gross revenues derived from the operation of the System, less reasonable expenses of operation and maintenance, including all salaries, labor, materials, repairs and extensions necessary to render efficient service, provided, however, that only such repairs and extensions as in the judgment of the Council, reasonably and fairly exercised, are necessary to keep the System in operation and render adequate service to the areas served thereby and the inhabitants thereof, or such as might be necessary to meet some physical accident or condition which would otherwise impair the

security of any bonds payable from and secured by a lien on the Net Revenues of the System shall be deducted in determining “Net Revenues.”

(g) The term “Outstanding” when used in this Ordinance with respect to Bonds means, as of the date of determination, all Bonds theretofore issued and delivered under this Ordinance, except:

(1) those Bonds canceled by the Paying Agent/Registrar or delivered to the Paying Agent/Registrar for cancellation;

(2) those Bonds deemed to be paid by the City in accordance with the provisions of Section 29 hereof; and

(3) those Bonds that have been mutilated, destroyed, lost, or stolen and replacement Bonds have been registered and delivered in lieu thereof as provided in Section 31 hereof.

(h) The term “Previously Issued Bonds” shall mean the outstanding and unpaid revenue bonds, payable from and secured by a first lien on and pledge of the Net Revenues of the System, of the following issues or series, identified as follows:

(1) City of Euless, Texas, Waterworks and Sewer System Revenue Bonds, Series 2004, dated June 15, 2004, and issued in the original principal amount of \$2,145,000; and

(2) City of Euless, Texas, Waterworks and Sewer System Revenue Refunding Bonds, Series 2012, dated March 1, 2012, and issued in the original principal amount of \$3,340,000.

(i) The term “System” shall mean the City’s combined Waterworks and Sanitary Sewer System, including all present and future additions, extensions, replacements and improvements thereto, whether situated within or without the corporate limits of the City.

SECTION 11: Pledge. The City hereby covenants and agrees that all of the Net Revenues derived from the operation of the System, with the exception of those in excess of the amounts required to establish and maintain the special Funds created for the payment and security of the Bonds Similarly Secured, are hereby irrevocably pledged for the payment of the Previously Issued Bonds, the Bonds, and Additional Bonds, if issued, and the interest thereon, and it is hereby ordained that the Previously Issued Bonds, the Bonds and Additional Bonds, if issued, and the interest thereon, shall constitute a first lien on the Net Revenues of the System in accordance with the terms and provisions hereof and be valid and binding and fully perfected from and after the date of adoption of this Ordinance without physical delivery or transfer or transfer of control of the Net Revenues, the filing of this Ordinance or any other act; all as provided in Chapter 1208 of the Texas Government Code, as amended (“Chapter 1208”).

Chapter 1208 applies to the issuance of the Bonds and the pledge of the Net Revenues of the System granted by the City under this Section 11, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding

such that the pledge of the Net Revenues of the System granted by the City under this Section 11 is to be subject to the filing requirements of Chapter 9, Texas Business and Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business and Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

SECTION 12: Rates and Charges. The City hereby covenants and agrees with the Holders of the Bonds that rates and charges for water and sewer services afforded by the System will be established and maintained to provide revenues sufficient at all times to pay:

- (a) all operating, maintenance, depreciation, replacement, betterment and other costs deductible in determining Net Revenues as herein defined;
- (b) the interest on and principal of the Bonds Similarly Secured and the amounts required to be deposited into the special Funds created and established for the payment and security of the Bonds Similarly Secured; and
- (c) any other legally incurred indebtedness payable from the revenues of the System and/or secured by a lien on the System or the revenues thereof.

SECTION 13: Segregation of Revenues/Fund Designations. All revenues and income derived from the operation and ownership of the System shall be kept separate from other funds of the City and deposited from day to day, as collected in the "System Fund" (created and established in connection with the issuance of the Previously Issued Bonds), which Fund is hereby reaffirmed and shall continue to be kept and maintained at an official depository bank of the City while the Bonds remain Outstanding. Furthermore, the special funds or accounts created and established in connection with the issuance of the Previously Issued Bonds are hereby reaffirmed for the benefit of the Bonds, to wit:

- (a) Bond Fund, which Fund is kept and maintained at the City's official depository bank, and moneys deposited in said Fund shall be used only for the purpose of paying the principal of and interest on the Bonds Similarly Secured.
- (b) Emergency Fund, which Fund is kept and maintained at the City's official depository bank, and moneys deposited in said Fund shall be used, upon proper order of the Council, to pay any special or extraordinary repairs or replacements to the System necessitated by the occurrence of an emergency and for payment of which no other funds are available and additionally for the payment of the principal and/or interest requirements of the Bonds Similarly Secured to prevent a default in the payment thereof when moneys in the Bond Fund and/or Bond Reserve Fund are deficient.
- (c) Bond Reserve Fund, which Fund is kept and maintained at the City's official depository bank, and moneys deposited in said Fund shall be used to pay the principal of and interest on the Bonds Similarly Secured falling due at any time when there is insufficient money available in the Bond Fund for such purpose.

SECTION 14: System Fund. The City hereby reaffirms its covenant to the Holders of the Previously Issued Bonds and agrees with the Holders of the Bonds that the moneys deposited in the System Fund shall be used first for the payment of the reasonable and proper expenses of operating and maintaining the System, as identified in Section 10(f) hereof. All moneys deposited in the System Fund in excess of the amounts required to pay operating and maintenance expenses of the System, as hereinabove provided, shall be applied and appropriated, to the extent required and in the order of priority prescribed, as follows:

(a) To the payment of the amounts required to be deposited in the Bond Fund for the payment of principal of and interest on the Bonds Similarly Secured as the same become due and payable;

(b) To the payment of the amounts, if any, required to be deposited in the Emergency Fund to accumulate and/or restore the total amount required to be maintained therein; and

(c) To the payment of the amounts required to be deposited in the Bond Reserve Fund to accumulate and maintain the reserve amount as security for the payment of the principal of and interest on the Bonds Similarly Secured.

SECTION 15: Bond Fund. In addition to the required deposits to the Bond Fund for the payment of principal of and interest on the Previously Issued Bonds, the City hereby agrees and covenants to deposit to the Bond Fund an amount equal to one hundred percentum (100%) of the amount required to fully pay the interest on and principal of the Bonds falling due on or before each maturity and interest payment date, such payments to be made in substantially equal monthly installments on or before the 10th day of each month beginning on or before the 10th day of the month next following the month the Bonds are delivered to the initial purchaser(s).

The required monthly deposits to the Bond Fund for the payment of principal of and interest on the Bonds shall continue to be made as hereinabove provided until such time as (i) the total amount on deposit in the Bond Fund and Bond Reserve Fund is equal to the amount required to fully pay and discharge all outstanding Bonds Similarly Secured (principal and interest) or (ii) the Bonds are no longer outstanding, *i.e.*, fully paid as to principal and interest or all the Bonds have been refunded.

Accrued interest, if any, received from the initial purchaser(s) of the Bonds shall be deposited in the Bond Fund, and shall be taken into consideration and reduce the amount of the monthly deposits hereinabove required which would otherwise be required to be deposited in the Bond Fund from the Net Revenues of the System. Furthermore, a transfer of funds from the Bond Reserve Fund and Emergency Fund, as hereinafter prescribed, shall be taken into consideration and reduce the amount of the monthly deposits otherwise required to be deposited in the Bond Fund from the Net Revenues.

SECTION 16: Emergency Fund. In accordance with the provisions of the ordinances authorizing the issuance of the Previously Issued Bonds, the amount required to be accumulated and maintained in the Emergency Fund is \$100,000.00, which amount is currently on deposit therein, and no additional amount shall be required to be deposited in said Fund by reason of the issuance of the Bonds. As long as the sum of \$100,000.00 is on deposit in said Fund, no further amounts shall be required to be deposited therein; provided, however, should the amount on

deposit in said Fund ever be less than \$100,000.00, the City covenants and agrees to immediately resume, and cause to be made to said Fund, monthly deposits in the amount of \$1,000 on or before the 10th day of each month until the total amount required to be maintained in said Fund has been fully restored. Monthly deposits to said Fund shall be made with available Net Revenues of the System in the System Fund and be subject only to the required deposits to the Bond Fund. Furthermore, when the amount on deposit in the Emergency Fund equals or exceeds the total amount required to be maintained therein, moneys realized from the investment of funds in the Emergency Fund in excess of the balance required to be maintained therein may be transferred to the Bond Fund.

SECTION 17: Bond Reserve Fund. The City reaffirms its covenant to the holders of the Previously Issued Bonds and agrees with the Holders of the Bonds that there shall be accumulated and maintained in the Bond Reserve Fund an amount equal to at least the average annual principal and interest requirements of the outstanding Bonds Similarly Secured.

In accordance with the ordinances authorizing the issuance of the Previously Issued Bonds, there is currently on deposit to the credit of the Bond Reserve Fund an amount equal to not less than [\$327,050] (the "Current Reserve"). By reason of the issuance of the Bonds, the amount to be maintained in said Fund, subject to adjustment as hereinafter provided in this Section, shall be \$_____ (the "Required Reserve"), which amount totals not less than the average annual principal and interest requirement of the outstanding Bonds Similarly Secured after giving effect to the issuance of the Bonds. Beginning on or before the 10th day of the month next following the delivery of the Bonds and on or before the 10th day of each following month until the Required Reserve has been accumulated in the Reserve Fund, the City covenants and agrees to deposit to the Reserve Fund from the Net Revenues of the System an amount equal to 1/60th of the difference between the Required Reserve and the Current Reserve.

Notwithstanding the provisions of the preceding paragraph relating to the Required Reserve, the total amount to be accumulated and maintained in the Bond Reserve Fund may, at the option of the City, be recomputed and adjusted to an amount equal to the average annual principal and interest requirements of the Bonds Similarly Secured at any time outstanding, and such adjustment is particularly anticipated at such time as Bonds Similarly Secured may be redeemed and retired prior to their stated maturity. Furthermore, when the amount on deposit in the Bond Reserve Fund equals or exceeds the total amount required to be maintained therein, moneys realized from the investment of funds in the Bond Reserve Fund in excess of the balance required to be maintained in said Fund may be transferred to the Bond Fund.

SECTION 18: Investments. Moneys on deposit in the Bond Reserve Fund and the Emergency Fund may be invested as follows:

(a) Bond Reserve Fund in direct obligations of or obligations unconditionally guaranteed by the United States of America having maturities not in excess of ten (10) years from the making of such investment as the Council may direct. Such obligations shall be held by the custodian bank where said Fund is maintained, and if at any time uninvested funds shall be insufficient to permit payment of principal and interest at maturity of the Bonds Similarly Secured, the custodian bank of said Fund shall sell on the open market such amount of the securities as is required to pay such Bonds Similarly Secured and interest thereon when due and shall give notice thereof to the City Manager.

(b) Emergency Fund in direct obligations of or obligations unconditionally guaranteed by the United States of America having maturities not in excess of five (5) years from the making of such investment as the Council may direct. Such investment securities shall be held by the custodian bank where said Fund is maintained and if at any time it becomes necessary to liquidate same to provide sums for any purpose for which such Fund was created, the City shall notify the custodian bank of said Fund who shall promptly sell on the open market such amount thereof as may be required, making the proceeds immediately available. Should the purpose be for meeting bond requirements, the City agrees promptly to accomplish the required transfers to the paying agent bank for the Bonds Similarly Secured.

SECTION 19: Payment of Bonds. While any of the Bonds are Outstanding, the Mayor, Mayor Pro Tem, City Manager, Deputy City Manager, Director of Finance and City Secretary of the City, individually or jointly, are hereby authorized to transfer or cause to be transferred to the Paying Agent/Registrar therefor, from funds on deposit in the Bond Fund and, if necessary, in the Bond Reserve Fund and Emergency Fund, amounts sufficient to fully pay and discharge promptly as each installment of interest and principal of the Bonds accrues or matures or comes due by reason of redemption prior to maturity; such transfer of funds to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Bonds at the close of the business day next preceding the date of payment for the Bonds. The Paying Agent/Registrar shall cancel or destroy all paid Bonds, and furnish the City with an appropriate certificate of cancellation or destruction.

SECTION 20: Deficiencies in Funds. If in any month the City shall, for any reason, fail to pay into the Bond Fund, the Emergency Fund or Bond Reserve Fund, the full amounts above stipulated, amounts equivalent to such deficiencies shall be set apart and paid into said Funds from the first available and unallocated Net Revenues of the System in the following month or months and such payments shall be in addition to the amounts hereinabove provided to be otherwise paid into said Funds during such month or months.

SECTION 21: Excess Revenues. Any surplus Net Revenues of the System remaining after all payments have been made into the Bond Fund, Emergency Fund and Bond Reserve Fund, and after all deficiencies in making deposits to said Funds have been remedied, may be transferred and used for any lawful general or special purpose, as permitted by the terms of V.T.C.A., Government Code, Article 1502.059; including the use thereof either for the retirement in advance of maturity of the Bonds Similarly Secured, according to the provisions made for their prior redemption, or for the purchase of any of such Bonds Similarly Secured on the open market at not exceeding the market value thereof. Nothing herein, however, shall be construed as impairing the right of the City to pay, in accordance with the provisions thereof, any junior lien bonds legally issued by it and payable out of the Net Revenues of the System.

SECTION 22: Security of Funds. Moneys on deposit in the special Funds referred to in this Ordinance (except any amounts as may be properly invested) shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of public funds, and moneys on deposit in such special Funds shall be used only for the purposes permitted by this Ordinance and the ordinances authorizing the issuance of the Previously Issued Bonds.

SECTION 23: Issuance of Additional Bonds. In addition to the right to issue bonds of inferior lien as authorized by the laws of the State of Texas, the City hereby reserves the right to

issue Additional Bonds which, when duly authorized and issued in compliance with the terms and conditions hereinafter appearing, shall be on a parity with the Previously Issued Bonds and the Bonds, payable from and equally secured by a first lien on and pledge of the Net Revenues of the System. The Additional Bonds may be issued in one or more installments, provided, however, that none shall be issued unless and until the following conditions have been met:

(a) The City is not then in default as to any covenant, condition or obligation contained in the ordinances authorizing the issuance of the then outstanding Bonds Similarly Secured;

(b) The laws of the State of Texas in force at such time provide for the issuance of such Additional Bonds;

(c) Each of the special Funds created for the payment, security and benefit of the Bonds Similarly Secured contains the amount of money then required to be on deposit therein;

(d) The Net Revenues of the System for the twelve-month period or for the fiscal year next preceding the month of the adoption of the ordinance authorizing the issuance of the Additional Bonds, as shown by a report of a certified public accountant or licensed public accountant, are equal to at least one and one-fourth (1¼) times the average annual principal and interest requirements of all bonds which will be secured by a first lien on and pledge of the Net Revenues of the System, and which will be outstanding upon the issuance of the Additional Bonds. The term "Net Revenues" as used in this Section shall mean the gross revenues after deducting the expenses of operation and maintenance but not deducting expenditures which, under standard accounting procedures, should be charged to capital expenditures.

(e) The Additional Bonds are made to mature on July 15 of each of the years in which they are scheduled to mature; and

(f) The ordinance authorizing the issuance of Additional Bonds provides that the amount to be accumulated and maintained in the Bond Reserve Fund shall be increased to an amount equal to not less than the average annual principal and interest requirements of all bonds payable from and secured by a first lien on and pledge of the Net Revenues of the System (after giving effect to the issuance of the proposed Additional Bonds). The additional amount to be accumulated in said Fund shall be deposited therein in not more than five (5) years and one (1) month from the date of the passage of the ordinance authorizing the issuance of the Additional Bonds.

SECTION 24: Maintenance and Operation - Insurance. The City hereby covenants and agrees that the System shall be operated on a Fiscal Year basis and shall be maintained in good condition and operated in an efficient manner and at reasonable cost. So long as any of the Bonds are Outstanding, the City agrees to maintain insurance for the benefit of the Holder or Holders of such Bonds of the kinds and in the amounts which are usually carried by private companies engaged in a similar type of business. Nothing in this Ordinance shall be construed as requiring the City to expend any funds which are derived from sources other than the operation of the System, but nothing herein shall be construed as preventing the City from doing so.

SECTION 25: Records - Accounts - Accounting Reports. The City hereby covenants and agrees so long as any of the Bonds or any interest thereon remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the operation of the System and its component parts separate and apart from all other records and accounts of the City in accordance with generally accepted accounting principles prescribed for municipal corporations, and complete and correct entries shall be made of all transactions relating to said System, as provided by V.T.C.A., Government Code, Article 1502.066. The Holder or Holders of any Bonds, or any duly authorized agent or agents of such Holders, shall have the right at all reasonable times to inspect all such records, accounts and data relating thereto and to inspect the System and all properties comprising same. The City further agrees that as soon as possible following the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of Certified Public Accountants or Licensed Public Accountants. Each such audit, in addition to whatever other matters may be thought proper by the Accountant, shall particularly include the following:

(a) A detailed statement of the income and expenditures of the System for such Fiscal Year;

(b) A balance sheet as of the end of such Fiscal Year;

(c) The Accountant's comments regarding the manner in which the City has complied with the covenants and requirements of this Ordinance and his recommendations for any changes or improvements in the operation, records and accounts of the System;

(d) A list of the insurance policies in force at the end of the Fiscal Year on the System properties, setting out as to each policy the amount thereof, the risk covered, the name of the insurer, and the policy's expiration date;

(e) A list of the securities which have been on deposit as security for the money in the Bond Fund, the Emergency Fund and the Bond Reserve Fund throughout the Fiscal Year, a list of the securities, if any, in which the Emergency Fund and Bond Reserve Fund has been invested, and a statement of the manner in which money in the System Fund has been secured in such Fiscal Year; and

(f) The total number of customers connected with the components of the System at the end of the Fiscal Year.

Expenses incurred in making the audits above referred to are to be regarded as maintenance and operating expenses of the System and paid as such. Copies of the aforesaid annual audit shall be immediately furnished to the Executive Director of the Municipal Advisory Council of Texas at his office in Austin, Texas, and, upon written request, to the original purchaser(s) and any subsequent Holder of the Bonds.

SECTION 26: Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in payments to be made to the Bond Fund or Bond Reserve Fund as required by this Ordinance, or (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Ordinance, the Holder or Holders of any of

the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the Council and other officers of the City to observe and perform any covenant, condition or obligation prescribed in this Ordinance.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedies herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive.

SECTION 27: Special Covenants. The City hereby further covenants as follows:

(a) It has the lawful power to pledge the revenues supporting this issue of Bonds and has lawfully exercised said power under the Constitution and laws of the State of Texas, including V.T.C.A. Government Code, Chapter 1502.052; that the Previously Issued Bonds, the Bonds, and the Additional Bonds, when issued, shall be ratably secured under said pledge of income in such manner that one bond shall have no preference over any other bond or said issues.

(b) Other than for the payment of the Previously Issued Bonds, the Bonds and the outstanding “City of Euless, Texas, Tax and Waterworks and Sewer System Surplus Revenue Certificates of Obligation, Series 2004”, dated June 15, 2004, and “City of Euless, Texas, Tax and Waterworks and Sewer System (Limited Pledge) Revenue Certificates of Obligation, Series 2011”, dated January 15, 2011, the Net Revenues of the System have not in any manner been pledged to the payment of any debt or obligation of the City or of the System.

(c) So long as any of the Bonds or any interest thereon remain outstanding, the City will not sell, lease or encumber the System or any substantial part thereof; provided, however, this covenant shall not be construed to prohibit the sale of such machinery, or other properties or equipment which has become obsolete or otherwise unsuited to the efficient operation of the System, and, also, with the exception of the Additional Bonds expressly permitted by this ordinance to be issued, it will not encumber the Net Revenues of the System unless such encumbrance is made junior and subordinate to all of the provisions of this Ordinance.

(d) No free service of the System shall be allowed, and should the City or any of its agencies or instrumentalities make use of the services and facilities of the System, payment of the reasonable value thereof shall be made by the City out of funds from sources other than the revenues and income of the System.

(e) To the extent that it legally may, the City further covenants and agrees so long as any of the Bonds or any interest thereon are outstanding no franchise shall be granted for the installation or operation of any competing waterworks and sanitary sewer system other than those owned by the City, and the operation of any such system by anyone other than the City is hereby prohibited.

SECTION 28: Bonds are Special Obligations. The Bonds are special obligations of the City payable from the pledged Net Revenues and the Holders thereof shall never have the right to demand payment thereof out of funds raised or to be raised by taxation.

SECTION 29: Satisfaction of Obligation of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Ordinance, then the pledge of the Net Revenues of the System under this Ordinance and all other obligations of the City to the Holders shall thereupon cease, terminate, and become void and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Obligations shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Obligations have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of moneys or Government Obligations will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying Agent/Registrar or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall, upon the request of the City, be remitted to the City against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to any applicable unclaimed property laws of the State of Texas.

SECTION 30: Ordinance a Contract - Amendments. This Ordinance shall constitute a contract with the Holders from time to time, be binding on the City, and shall not be amended or repealed by the City so long as any Bond remains Outstanding except as permitted in this Section and in Section 42 hereof. The City, may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the written consent of Holders holding a

majority in aggregate principal amount of the Bonds Similarly Secured then outstanding, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all Holders of the Bonds then outstanding, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Bonds, reduce the principal amount thereof, the redemption price therefor, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Bonds, (2) give any preference to any Bond over any other Bond, or (3) reduce the aggregate principal amount of Bonds required to be held by Holders for consent to any such amendment, addition, or rescission.

SECTION 31: Mutilated - Destroyed - Lost and Stolen Bonds. In case any Bond shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Bond of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Bond, or in lieu of and in substitution for such destroyed, lost or stolen Bond, only upon the approval of the City and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Bond, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the City and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Bond shall be borne by the Holder of the Bond mutilated, or destroyed, lost or stolen.

Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Bond shall constitute a replacement of the prior obligation of the City, whether or not the mutilated, destroyed, lost, or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Bonds.

SECTION 32: Notices to Holders - Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States Mail, first class postage prepaid, to the address of each Holder as it appears in the Security Register.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 33: Cancellation. All Bonds surrendered for payment, redemption, transfer or exchange, if surrendered to the Paying Agent/Registrar, shall be promptly cancelled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Bonds held by the Paying Agent/Registrar shall be destroyed as directed by the City.

SECTION 34: Covenants to Maintain Tax-Exempt Status. (a) Definitions. When used in this Section, the following terms have the following meanings:

“*Closing Date*” means the date on which the Bonds are first authenticated and delivered to the initial purchaser(s) against payment therefor.

“*Code*” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“*Computation Date*” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“*Gross Proceeds*” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

“*Investment*” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“*Nonpurpose Investment*” means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“*Rebate Amount*” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“*Regulations*” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“*Yield*” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition,

construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield

from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Bonds by the Purchaser (defined below) and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States from an appropriate fund, or if permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the Bond Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(3)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Deputy City Manager and Director of Finance, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

SECTION 35: Sale of Bonds - Official Statement Approval. The Bonds authorized by this Ordinance are hereby sold by the City to _____ (the "Purchaser") in accordance with the Bond Purchase Agreement, dated June 25, 2013 (the "Purchase Agreement"), attached hereto as **Exhibit B** and incorporated herein by reference as a part of this Ordinance for all purposes, and the City has determined and does determine that the terms of such Purchase Agreement are in the City's best interests. The Mayor or Mayor Pro Tem are hereby authorized and directed to execute said Purchase Agreement for and on behalf of the City and as the act and deed of the Council, and in regard to the approval and execution of the Purchase Agreement, the Council hereby finds, determines, and declares that the representations, warranties, and agreements of the City contained therein are true and correct in all material respects and shall be honored and performed by the City.

Furthermore, the use of the Preliminary Official Statement by the Purchaser in connection with the public offering and sale of the Bonds is hereby ratified, confirmed and approved in all respects. The final Official Statement, which reflects the terms of sale (together with such changes approved by the Mayor, Mayor Pro Tem, City Manager, Deputy City Manager and Director of Finance of the City, any one or more of said officials), shall be and is hereby in all respects approved and the Purchaser is hereby authorized to use and distribute said final Official Statement, dated June 25, 2013, in the reoffering, sale and delivery of the Bonds to the public.

SECTION 36: Control and Custody of Bonds. The Mayor of the City shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas, including the printing and supply of definitive Bonds, and shall take and have charge and control of the Initial Bond(s) pending the

approval thereof by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery thereof to the Purchaser.

SECTION 37: Proceeds of Sale. Immediately following the delivery of the Bonds, the proceeds of sale thereof (less costs of issuance) shall be deposited into the construction fund to be used for the purposes specified in Section 1 hereof. Pending expenditure for authorized projects and purposes, such proceeds of sale may be invested in authorized investments in accordance with the provisions of V.T.C.A., Government Code, Chapter 2256, as amended, including specifically guaranteed investment contracts permitted in V.T.C.A., Section 2256.015, et seq., and any investment earnings realized may be expended for such authorized projects and purposes or deposited in the Bond Fund as shall be determined by the Council. All surplus proceeds of sale of the Bonds, including investment earnings, remaining after completion of all authorized projects or purposes shall be deposited to the credit of the Bond Fund. The premium received from the Purchaser (to the extent it is not used to finance the projects described in Section 1) will be applied to the payment of the costs of issuing the Bonds.

SECTION 38: Legal Opinion. The obligation of the Purchaser to accept delivery of the Bonds is subject to being furnished a final opinion of Fulbright & Jaworski LLP, Attorneys, Dallas, Texas, approving such Bonds as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for such Bonds. A true and correct reproduction of said opinion or an executed counterpart thereof shall accompany the global Bonds deposited with DTC, or a reproduction thereof may be printed on or attached to the definitive Bonds in the event the book-entry-only system shall be discontinued.

SECTION 39: CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards the legality thereof and neither the City nor attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Bonds.

SECTION 40: Benefits of Ordinance. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the City, the Paying Agent/Registrar and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof, this Ordinance and all its provisions being intended to be and being for the sole and exclusive benefit of the City, the Paying Agent/Registrar and the Holders.

SECTION 41: Inconsistent Provisions. All ordinances, orders or resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict and the provisions of this Ordinance shall be and remain controlling as to the matters contained herein.

SECTION 42: Continuing Disclosure Undertaking.

(a) Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

“*MSRB*” means the Municipal Securities Rulemaking Board.

“Rule” means SEC Rule 15c2-12, as amended from time to time.

“SEC” means the United States Securities and Exchange Commission.

- (14) Appointment of a successor or additional trustee or the change of name of a trustee, if material.

For these purposes, any event described in the immediately preceding subsection (c)(12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

(e) Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the City in any event will give the notice required by subsection (c) of this Section of any Bond calls and defeasance that cause the City to be no longer such an “obligated person.”

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF

ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding anything herein to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a Person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent an underwriter of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) of the Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

In the event that any officer of the City whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 46: Construction of Terms. If appropriate in the context of this Ordinance, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.
