Euless, Texas 76039-3595

Re: Reclaimed Water Delivery System and Pump Station, Phase 1, Bid # 006-13  
Recommendation of Construction Contract Award

Dear Mr. Barker:

On June 12, 2013 three bids from general contractor were received, opened and publically read at the City of Euless' Fuller Conference Room in Euless, Texas for the above-referenced project. The bids are as follows:

	Contractor	Base Bid
1	Crescent Contractors, Inc.	\$3,217,000.00
2	Ark Contracting Services, Inc.	\$3,704,124.00
3	BAR Constructors, Inc.	\$4,026,260.00

After reading the bids and ranking them, it was determined that Crescent Contractors, Inc. is the lowest bidder. The three contractors attended a mandatory pre-bid conference and were qualified to submit bids. Our firm has worked with Crescent Contractors, Inc. in the past on several projects designed by Alan Plummer Associates, and this contractor performed well. The projects included a raw water pump station for the City of Denison and a potable water booster pump station for the City of University Park.

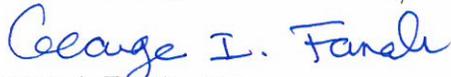

Therefore, based on the above information, it is recommended that the City of Euless award the contract to the low bidder, Crescent Contractor, Inc. If you have any further questions, please do not hesitate to let me know.

Mr. Chris Barker
