

CITY COUNCIL COMMUNICATION

November 12, 2013

SUBJECT: Purchase of Three (3) Monitor/Defibrillators for Fire/EMS
SUBMITTED BY: Wes Rhodes, Fire Chief
REFERENCE NO:

ACTION REQUESTED:

Consider authorizing purchase of three (3) heart monitors/defibrillators from Physio Control, Redmond Washington for Fire/EMS Services.

ALTERNATIVES:

- Table the request
- Deny the request

SUMMARY OF SUBJECT:

All Ambulances and Fire Trucks carry life-saving heart monitor/defibrillators, which are medical devices used to interpret lethal heart rhythms, perform medically specific assessments of the patient and to restore a normal heartbeat by applying a brief electric shock.

The three (3) monitor/defibrillators are phase two (2) of a three (3) phase project. This equipment is only available through a sole source due to the specific technical medical application and operations required of the units. This project will replace older units in use by the Fire Department.
