### **SUMMARY OF SUBJECT:**

**Applicant:** Kaveh Meghdadpour, representing Xccessorize Limited Inc. dba United Linings & Accessories

**Location/Zoning:** 1108 Westpark Way. The property is zoned Texas Highway 10 Multi-use District (TX-10).

**Project Summary:** Mr. Meghdadpour is the managing partner of the business which specializes in the spraying of textiles, wood, truck beds and closed cell Styrofoam of waterproofing materials. They also have the ability to install truck accessories, including step bars, grill guards, wind deflectors and other similar items. The building is an existing 5,000 square foot building which has previously housed an upholstery business and subsequently a landscaping business.

The business has three (3) full time employees and operates typical weekday business hours of Monday-Friday from 8:00am to 5:00pm. The spray lining business produces no volatile organic compounds which would require a full spray booth. The employees wear protective respiratory equipment for the polyurethane materials.

The Planning and Zoning Commission held a public hearing on December 17, 2013. The Commission discussed the types of training required to spray the liners. Mr. Meghdadpour stated that his staff is specifically trained by the manufacturer of the chemicals. Additionally, Mr. Meghdadpour stated that all of his business is conducted serving dealerships and other corporate customers – rather than walk-up customers. The Planning and Zoning Commission voted to recommend approval by a vote of 5-0-0 with the following conditions:

1. The Specific Use Permit is tied to the Managing Partner: Mr. Kaveh Meghdadpour; and,
