

EMPLOYEE OF THE MONTH
JASON FARRIS – April 2014
Facility Tech III – Fleet & Facility Services

Education, Training & Licenses:

After graduating from Lamar High School in Arlington, Texas, Jason joined the United States Marine Corps. Since that time, he has attended Dallas Baptist University in pursuit of a degree in Criminal Justice. Not only has he secured over 400 hours of continuing education in building maintenance, Jason has obtained the following certifications: IMSA Traffic Signal Tech I & II, TCLEOSE Certified Police Officer, and TCLEOSE Certified Jailer.

Employment Background & Experience:

Jason has a varied work background, incorporating electrical, plumbing, and overall building improvement. He also served as a Dispatch Manager for DalWorth Carpet Cleaning. While serving in the United States Marine Corps (1989-1993), he was a weapons systems electronic ordinance technician, drill instructor, head of security, and assistant plant manager for Correctional Services Corporation. After acquiring a taste of law enforcement, Jason served as a police officer and jailer for two years with the Tarrant County Sheriff's Office and has been actively serving as the Chief of Police for the City of Pelican Bay since 2009.

Awards, Recognition & Associations:

In 2005, Jason received recognition as the Facility Operations Technician of the Year and has received the March 2009 Employee of the Month Award. He enjoys spending time with his wife and children.
