

## **CITY COUNCIL COMMUNICATION**

June 24, 2014

**SUBJECT:** Construction of the El Camino Real Waterline Replacement Project from West Pipeline Road to the Southern City Limits.

**SUBMITTED BY:** Hal Cranor, Director of Public Works

**REFERENCE NO:** Bid No. 009-14

---

### **ACTION REQUESTED:**

Consider award of Bid No. 009-14 for a construction contract to A&M Construction and Utilities, Inc. for the El Camino Real waterline replacement project from West Pipeline Road to the southern city limits and authorize the City Manager to enter into a contract with A&M Construction and Utilities, Inc.

### **ALTERNATIVES:**

- Table the request
- Deny the request

### **SUMMARY OF SUBJECT:**

The existing 8" residential water main along El Camino Real from West Pipeline Road to the southern city limits is in need of replacement due to its deteriorating condition and inadequate size. With the installation of a new 10" line, the incidents of water breaks should decrease and with the larger volume of water available in the 10" line, greater pressure can be maintained for residents.

Bids were received from twelve (12) companies and were opened on June 4, 2014. The low bid in the amount of \$329,423.90 was submitted by A&M Construction and Utilities, Inc. of Rowlett, Texas.

Staff has reviewed the bid tabulation and based on supporting documentation from Wier and Associates, Inc. recommends that the City award a construction contract to the low bidder, A&M Construction and Utilities, Inc.

**FINANCIAL CONSIDERATIONS:**

Revenue Sources: Project No. WT 1401  
Expenditure Accounts: 502-8006-531.73-10  
Budgeted Fiscal Year(s): FY 2014  
Budgeted Expenditure: \$ 450,000.00  
Estimated Expenditure: \$ 329,423.90  
Over/**Under** Project By: \$ 120,576.10
