RE: City of Euless Audit Contract Extension

Dear Ms. Jewell:

This letter is in response to your request for extension of our audit services proposal awarded by the Euless City Council in 2010 that covers the audit periods for the fiscal years ending September 30, 2010 through September 30, 2012, with an optional extension for the years ending September 30, 2013 and 2014.

Our fees for these services are estimated to be as follows:

Audit of the City's financial statements, including preparation of the CAFR, and Economic Development Corporation's financial statements for the year ending September 30, 2014	\$72,000
---	----------

We sincerely appreciate the opportunity to be considered for this extension and look forward to our continued relationship with the City of Euless.

Yours truly,

A handwritten signature in black ink, appearing to read "Adam McCane".
