

FIVE YEARS OF SERVICE
RENE RODRIGUEZ – OCTOBER 2009
Inspector I – Code Compliance/Police Department

Education, Training & Licenses:

Rene is a graduate of Leipsic High School in Leipsic, Ohio (*about 70 miles southwest of Toledo*) and earned Certification in HVAC and Refrigeration from Lincoln Technical Institute in Grand Prairie, Texas. He holds the following certifications and licenses: Air Conditioning & Refrigeration License, Commercial Inspector Certification, Code Enforcement Officer II License, Food Protection Certification, and Pool Operator Certification.

Employment Background & Experience:

From 1997 to 2009, Rene worked for the City of Fort Worth as a Facility Maintenance Technician, Code Compliance Officer, and Mechanical Inspector.

Awards, Recognition, Associations, & Personal Data:

Rene is a member of the Texas Environmental Health Association, International Code Council, and Code Enforcement Association of Texas. He is proud to have received a letter of commendation in August 2013 and the November 2013 Employee of the Month Award. In his spare time, Rene enjoys spending time with his wife and children, attending Rangers baseball games, and NHRA Fall Nationals drag racing.
