

EMPLOYEE OF THE MONTH
RUBEN CARDENAS – JANUARY 2015
Leadman – Public Works

Education, Training & Licenses:

Ruben is a graduate of L. D. Bell High School in Hurst, Texas and is currently pursuing an Associate's of Science Degree in Engineering at Tarrant County College. He holds the following licenses: Class B Water Distribution Operator, Class B Ground Water Treatment Operator, Class III Wastewater Collection Operator, Backflow Prevention Assembly Tester, and Customer Service Inspector. Ruben has participated in many safety classes and on-the-job training including: CPR/AED, Confined Space Entry, Heat Stress, Pump and Motor Maintenance, Trench Safety, Valve and Hydrant Maintenance, and Work Zone Traffic Control.

Employment Background & Experience:

His work history includes working as a bus boy/food runner at Ninfa's Mexican Restaurant in Arlington, as a sales associate at Wal-Mart in Bedford, as a stocker at Winn Dixie in Bedford, as a cashier/cook for Arby's in Bedford, and as a machinist for ARK Professional Services in Fort Worth. After being hired as a Field Tech I at the City of Euless, he quickly promoted to Field Tech III in June, 2002 and has held his current position since August, 2008.

Awards, Recognition, Associations, & Personal Data:

Ruben enjoys spending time with his family and friends, working on old cars, and shooting pool. He is a member of the American Water Works Association, Mid-Cities Equipment Road-eo Committee, and Phi Theta Kappa (TCC Honor Society).
