

TEN YEARS OF SERVICE
CHRIS SUTTERFIELD – AUGUST 2005
Driver/Engineer – Fire Department

Education, Training & Licenses:

Chris graduated from Peaster High School in Peaster, Texas and received his Fire and Paramedic training from Weatherford College. He is an Honors Graduate and recipient of an Associate of Applied Science Degree in EMS and Fire Service Administration from Weatherford College. He has the following certifications/licenses: Paramedicine, Advanced Firefighter, Haz-Mat Technician, Swift Water Technician, Rope Technician, and Inspector II.

Employment Background & Experience:

When Chris joined the Euless Fire Department, he held the position of Firefighter/Paramedic. He promoted to the position of Firefighter II/Paramedic in December 2007 and then to Driver/Engineer in May 2013. Chris' employment background includes working for his father at S&F Home Improvement as a window/glass installer. He is currently an adjunct professor at Tarrant County College Fire Training Center and at Weatherford College Emergency Medical Services.

Awards, Recognition, Associations, & Personal Data:

While with the Euless Fire Department, Chris has received the 2009 Civic Achievement Award; the Distinguished Unit Award in 2009, 2011 and 2013; 2014 Driver/Engineer of the Year; and several commendations. He is a member of the International Firefighters Association, Texas Firefighters Association, and the Euless Honor Guard. He proudly holds the position of Vice President of the Euless Firefighters Association. In his spare time, Chris enjoys hunting and drag racing.
