SUMMARY OF SUBJECT:

This resolution would allow the City of Euless to enter into a Local Project Advance Funding Agreement (LPAFA) for the Trails of Euless – Western Extension project, CSJ # 0902-90-023.

The Texas Transportation Commission passed Minute Order Number 114213 dated February 26, 2015, awarding funding for projects in the 2014 Transportation Alternatives Program. The City of Euless was awarded \$912,000 to complete the Trails of Euless – Western Extension project. This project will connect the existing Trails of Euless on the east side of SH 157, through the Glade Park mixed use development, to Heritage Road. The primary purpose of this trail is to provide regional trail connectivity with the cities of Colleyville and Grapevine, as well as to provide alternative transportation access to the Glade Park residential and commercial development.

Staff recommends adoption of the resolution for Local Project Advance Funding Agreement (LPAFA) for the Trails of Euless – Western Extension Project, CSJ #0902-90-023.
