

CITY COUNCIL COMMUNICATION

November 10, 2015

SUBJECT: Purchase of Three (3) Automatic Compression Systems for Fire/EMS

SUBMITTED BY: Wes Rhodes, Fire Chief

REFERENCE NO:

ACTION REQUESTED:

Consider authorizing the purchase of three (3) Lucas automatic compression systems from Physio Control, Redmond, Washington for Fire/EMS Services.

ALTERNATIVES:

- Table the request
- Deny the request

SUMMARY OF SUBJECT:

The proposed pieces of equipment are battery powered automatic compression systems. These devices perform chest compressions during resuscitative efforts when treating cardiac arrests. The compression devices will eliminate the physical element of chest compressions by the firefighter, providing a definitive CPR effort and a safer environment.

This equipment is only available through a sole source due to the specific technical medical application and operations required of the units.
