**SUMMARY OF SUBJECT:**

**Applicant:** Randy Childers representing A.B.C. Auto Credit, Inc.

**Location/Zoning:** 1105 Pamela Drive, zoned Light Industrial District (I-1).

**Project Description:** The Unified Development Code requires a motor vehicle dealership located in the I-1 zoning district to have a Specific Use Permit and that the minimum area devoted to the sale of new or used vehicles is not less than five (5) acres. An exception to this minimum standard may be recommended by the P&Z and approved by the City Council through the Specific Use Permit. Mr. Childers is requesting a Specific Use Permit for internet auto sales of vehicles to occupy approximately 7,000 square feet of leased space for office

space and interior storage of vehicles for sale. All sales of vehicles will be made online and only utilize the interior leased space as storage for the vehicle inventory. No vehicles will be stored exterior to the leased space. No mechanical work will be performed on the vehicles. The owner / operator offers that the business would operate from 9:00 am to 7:00 pm Monday through Saturday.

The Development Services Group has reviewed and certified the application for a Specific Use Permit. Staff recommends approval with the following conditions:

- a. Tied to the business owner, Mr. Randy Childers; and,
- b. Tied to the business name: A.B.C Auto Credit Inc.; and,
- c. No outdoor advertising display other than a permitted sign indicating the name of the business; and,

- g. The term of this Specific Use Permit shall be granted for a period of one year in order to gauge the further appropriateness of the use at the specific location; and,
