ARBOR
DAZE
RETURNS!

Greetings from the Mayor

Welcome

Dear Citizens,

Spring is here and how beautiful it is with all the colors of green and the lovely wildflowers. Having a cold, rainy winter really makes us appreciate the sunshine of spring days.

If spring is here, can Arbor Daze be far behind? Yes, we are going to have another Arbor Daze celebration this year but it will be a different size and of course in a different place. We will be celebrating our trees and our families.

We want to return to a community festival for all ages at our City Hall Complex. We will even have a family walking event. Do reserve the date and plan to attend.

We truly appreciate all of you that attended our Town Hall meetings in January. We heard some really good ideas for cleaning up the city, good ideas for improving on activities and good ideas that show you care. A big topic was some clean up in south Euless. We heard you loud and clear. Just know that we will be enforcing our codes and policing efforts as well as encouraging our citizens to do their part in revitalizing the neighborhood. Euless is a great city to live and work in. We need to keep up our homes and yards and the city will do it's best to keep up the streets and sidewalks. Lets all join together in every neighborhood to do a spring clean-up.

Municipal and school elections will take place in May. The city has two council seats up for the three-year regular term and one seat that was vacated in January for a two-year term. Please check the calendar for early voting and the regular election date as well as election locations.

Congratulations to our employee of the year, David Allen. David not only makes us proud in Euless but is well known throughout Tarrant County for his talents in Geographic Information Systems.

And congratulations to our new Police Chief, Michael Brown. Mike is a long time Euless resident and former police officer in Euless. Mike is committed to our community and to community policing. Welcome, Mike.

The Fire Department has formed an Honor Guard unit and participates in community events. What a proud moment it is to watch them perform with such dignity and honor. Thank you to those who spent so much time and talent in forming the Honor Guard. We have had a police Honor Guard for some time and they make us proud too.

Our Public Works Service Center should be completed shortly and it is a building we are proud of. It is located on south Westpark Way next to the fire station and animal shelter.

We have several new businesses in Euless and more opening in late spring. We continue to have new housing units going up around the city. Did you know that Euless is the fourth largest city in Tarrant County? Did you know there are thirty nine cities in Tarrant County? Euless continues to be well represented in many facets of government and community activities. There is so much going on in our city. Welcome if you are a new neighbor and come meet your other neighbors at our many events.

Our city volunteers are always on call and spring time is no different. Please check out all the activities listed inside and you should know we have volunteers at every event. Thank you, thank you.

Please take advantage of all the activities the city provides from the library to the parks and recreation centers to Open House tours for the Heritage Park and even to attend the city council meetings. And watch for our new spring Healthy Walks.

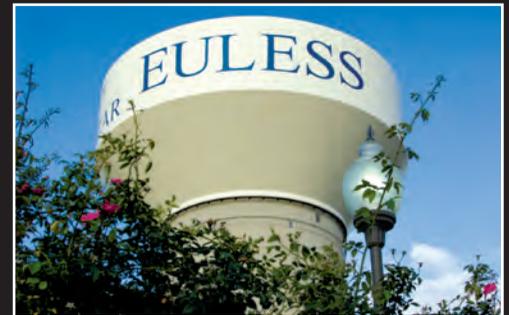

Enjoy!

City of Eules 2006 Employee of the Year

The Employee of the Year program began in 1993 by City of Eules employees. This award is highly revered and is given to an employee by their peers for their vision and leadership. GIS Manager David Allen is the 2006 recipient of the City of Eules Employee of the Year award and exemplifies vision and leadership not only on the job, but outside of work as well.

David Allen has worked in the digital mapping field for 23 years, eighteen of those with the City of Eules. He is well known in his field not only as a mentor and teacher, but also for his many strides in developing interesting applications within municipal government. He holds a Bachelor's degree in Architecture and is the Program Coordinator for the GIS Program at Tarrant County College southeast. He has taught all levels of GIS since 1999. He also consults with TCC's Fire Center Training Academy on digital mapping issues.

David Allen is the 2006 Employee of the Year.

So what the heck is GIS anyway?

Geographic Information Systems is a technological field that incorporates geographical features with tabular data to assess real-world problems. It was discovered in the 60s with the discovery that maps could be programmed using simple code and stored in a computer. From that evolved the concept of overlaying mapped features for analysis and modeling. Today, GIS is an effective problem solving tool and operates on many levels, the most basic of which is mapping.

GIS Emergency Applications

David was the manager of a project team that recently received an award for his efforts on a regional emergency response database. This database will allow a shared Mobile Command Center to locate an address, view houses or buildings from all sides, see hydrant locations and identify street names. David coordinated the data collection and distribution to emergency response agencies with no budget.

Eulesse Announces New Police Chief

Eulesse City Manager Joe Hennig announced in January that Michael Brown has accepted the position of Chief of Police for the City of Eulesse.

Brown has served as Chief of Police for UNT Health Science Center since 2003. Prior to that, he worked in the Eulesse Police Department for 25 years, where he began as Patrol Officer. He was then promoted through the ranks to Lieutenant and retired in

Michael Brown was named the new Eulesse Chief of Police.

2002. Prior to his tenure with the City of Eulesse, he worked for the City of Richland Hills.

“Mike Brown has lived in Eulesse nearly all his life and will be serving a city he dearly loves. He will be a great chief for the employees and a great chief for the community,” said City Manager Joe Hennig.

“We are pleased to have him as an integral member of our staff.”

Brown graduated from Trinity High School in Eulesse in 1973. He holds an Associates Degree in Law Enforcement from Tarrant County Junior College and a Bachelors degree of Applied Arts and Science from UNT. He was awarded the Master Peace Officer Certification in 1997. Brown and his wife Anicia live in Eulesse. They have three children: Clint, Aja and Leland.

Eulesse Congratulates New Retirees

Zane Cruse retired as a Lieutenant/Paramedic from the Eulesse Fire Department with nearly 26 years of service.

Linda Free retired in January with over 25 years of service to the City of Eulesse.

Bill Richardson retired in September with 26 years of service in the Police Department.

Earl's Pearls

Eules has contracted with Allied Waste Services for garbage collection and Community Waste Disposal (CWD) for recycling pick up. The Allied Waste Services contract will expire in February 2008 and the City of Eules is in the process of revising a Request for Proposal (RFP) for solid waste and recycling collection in Eules.

The city is exploring competitive opportunities and has been interviewing possible vendors to make sure we are aware of every service aspect that may be available to our citizens. In addition, staff is currently conducting rate comparisons and analysis directly aligned with service levels in other area cities.

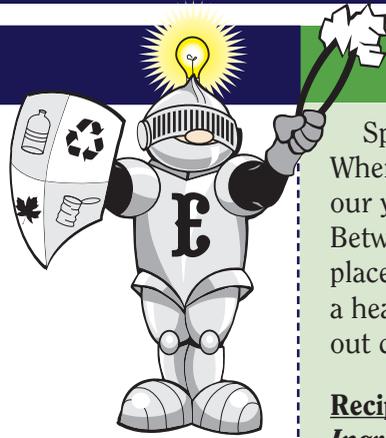

“We want to ensure no stone has been left unturned so that we may come up with the most cost effective solid waste/recycling rate for our citizens,” said Economic Development Director Bill Ridgway. “Service will be the main criteria that will be stressed in the RFP.”

The RFP will be sent out this summer. This process will take several months and the provider will be chosen four months in advance of the expiration date. Should a new provider be chosen, this will allow for transition to the new routes. The solid waste and recycling will be bid together, but may be awarded to two carriers.

Please call Bill Ridgway with your input and comments at (817) 685-1869 or email him at bridgway@ci.eules.tx.us.

For more information please call the Recycling Hotline at (817) 685-1825 or visit us on the web at www.eules.org/recycling.

The Best Composting Recipe

Spring is a great time of year to start a compost bin! When the weather turns warmer, we tend to get out in our yards and “clean-up” from the winter months. Between the mowing, raking and pruning that takes place, that will provide more than enough ingredients for a healthy compost pile. Just add the ingredients, bake and out comes rich, earthy soil for spring flower beds.

Recipe for Composting

Ingredients:

CARBON ITEMS

Pruned shrubs, tree limbs, rose branches

Cardboard

Tree leaves

Shredded newspaper

NITROGEN ITEMS

Grass clippings, weeds (w/o seeds)

Cottonseed meal

Uncooked fruit and vegetable scraps

Egg shells, peanut shells

Used coffee grounds, filters, tea bags

Water

Sun

Directions:

As you are spring cleaning your yard, place those great ingredients in a compost bin. One can be made by visiting a home improvement store (in Eules!) and purchase items. You can determine the best bin for you by visiting www.eules.org/composting.

Place your mixing bin out of direct sunlight if possible. Alternate layers of carbon and nitrogen until you are out of ingredients and moisten as they are added. Mix the layers with a garden fork or a rake and moisten any dry ingredients. After about a week, use a garden fork and stir the ingredients up to aerate the pile. Keep the pile moist, but not soaking wet. Repeat for about four weeks and let the pile cure for two weeks before using. Enjoy!

Child Safety Seat Check

The Euless Police Department is a member of the Child Safety Task Force and has several officers certified in the Child Safety Seat restraint system. The Task Force determines if the seat is installed securely in the car, inspects the seat size in relation to the child, installs child safety seats and will replace unsafe child safety seats free of charge to parents who need financial assistance.

Members of the Child Safety Seat Task Force will be in Euless from 10 a.m. - 2 p.m. on Thursday, April 12 in the SuperTarget parking lot, 1201 W. Glade Rd.

Child Safety Seat checks are available free at any time throughout the year by appointment. Please call (817) 685-1563 for more information or to make an appointment.

Euless Pride

Euless' great neighborhoods, nice climate and friendly atmosphere make it a great place to call home. However, just like anything else in life, things get older and need a little facelift now and again. The City of Euless is working with a committee to create Pride in our Neighborhoods, Pride in our Community and Pride in Euless. The ***Euless Pride*** campaign aims to create a catalyst for change in the neighborhoods that may need a little botox here and there. Our goal for this campaign is through a combined effort to result in a community we can all be proud to call home. Please watch for more information regarding this great program.

Economic Development

Simtek, Inc. Simtek designs, manufactures and services a wide variety of products, primarily used to enhance the overall realism of flight simulators.

Redifun Simulation Inc. (RSI) specializes in visual systems for full flight simulators. RSI manufactures visual systems for the commercial flight-training environment and employs engineers with over twenty years experience each in flight simulation.

Professional Turf Products is a premiere provider of large scale commercial and golf course tractors, sprinklers and lawn equipment directly to golf courses, schools, municipalities, parks, landscape and irrigation contractors, and independent dealers.

Lowe's Home Improvement store opened in early January on the southeast corner of Highway 121 and Glade Road. Mayor Mary Lib Saleh assisted in the grand opening ceremony by sawing a board instead of cutting a ribbon.

Dog Daze 2007

Dog Daze will take place from 9 a.m. - 1 p.m. on Saturday, May 12, 2007 at the Eules Animal Shelter, 1517 Westpark Way. Veterinarian Gayla J. Maas will be onsite to administer low-cost vaccinations for Eules dogs. Groomers will also be available to give your pet a summer shave. Cost for a small dog is \$20 and a large dog is \$30. All grooming proceeds will be used in the Injured Animal Fund.

Vaccinations:

Rabies - \$10

DHLP - \$10

Kennel Cough - \$10

Corona - \$5

Heart worm testing is available

Lyme Vaccination is available

Free refreshments will be served to all participants. For more information, please contact the Eules Animal Shelter at 817-685-1594.

Fire Department Awards

On February 4, the Fire Department held their annual awards banquet at Texas Star. The following employees were recognized for their outstanding service to Eules.

Distinguished Unit Award

Firefighter/Paramedic Robert Hopkins

Firefighter II/Paramedic Jon Evans

Driver/Engineer/Paramedic Lance Judd

Firefighter II/Paramedic Jerad Gomez

Firefighter II/Paramedic Ken Kelly

Rookie Firefighter of the Year

Firefighter/Paramedic Aaron Schmidt

Driver/Engineer of the Year

Driver/Engineer/Paramedic Tommy Rush

EMS Provider of the Year

Firefighter II/Paramedic Ryan Hayes

Fire Rescue Specialist of the Year

Firefighter II/Paramedic Jason Moon

Supervisor of the Year

Lieutenant/Paramedic Kipper Smith

Employee of the Year

Fire Inspector/Investigator Vernon Gilmore

Thanks to the many citizens in Eules who assisted the Fire Department in their requests to trim trees on their property. Fire trucks reach a height of fourteen feet and require a clearance of that height to avoid damage to the vehicle.

We thank you again for your continued assistance in this matter and your impact on the safety and well being of others.

Need A Ride?

We may be able to help!

Arbor Day Becomes Arbor Daze

The first Arbor Day was proclaimed in the State of Nebraska on April 10, 1872 through the effort of J. Sterling Morton. It is estimated that one million trees were planted in Nebraska on that first Arbor Day. Mr. Morton believed that trees brought value as windbreaks to prevent soil erosion, shade from the hot sun, and a renewable source of fuel and building materials. Today, Arbor Day is celebrated throughout the United States and in many other countries around the world.

The roots of the City of Euless celebration of Arbor Day can be traced to a Home and Garden Expo held in 1988 in the old gymnasium of what is now City Hall. Attended by some 1,500 residents, the event was declared a success and plans made to hold an annual event emphasizing trees and beautification. The following year, the “How to Grow Lawn and Garden Show” was held at the newly constructed Midway Recreation Center. The featured entertainment was a group of local senior citizens known as the Spice of Life Band. Instruments included spoons and a washboard.

The small festival grew in the ensuing years and in 1992 was moved to the grounds of City Hall with name of “Leisure Fair presents Arbor Daze of City Hall.” The festival began to experience exceptional growth as the attractions increased and big name musical acts were featured. The Dixie Chicks, Mamas and the Papas, Chubby Checker, and Little Richard were among the acts offered for the free concerts of City Hall. By 1998, Arbor Daze had evolved from a small community event to a major regional event attracting over 100,000 people. The overwhelming attendance to hear Three Dog Night, The Four Tops, Martha and the Vandellas and The Association signaled the end of Arbor Daze at City Hall.

In 1999, Arbor Daze was moved to a 200-acre site on Airport Freeway at Highway 360 to better accommodate

the crowd. The larger venue allowed acts such as The Beach Boys, (2000 and 2003), The Righteous Brothers (2002) and The Four Tops (2001) to be offered. The crowd continued to grow to over 200,000.

During the years of Arbor Daze on the Airport Freeway at Highway 360 site, many local residents expressed the opinion that the festival had grown much too large. Many wished for the “Good Ole’ Days” when Arbor Daze was at City Hall. In response to these other concerns, city officials used 2006 as a year to consider what the Arbor Daze of the future should be.

The 2007 Arbor Daze Festival will return to its "roots" with an event for the Euless community. It has moved back to the City Hall Complex and will be a festival to remember. For the complete details, please see pages 14 & 15 of this magazine or visit www.arbordaze.org.

North Texas Strikes It Rich

Due to recent improvements in technology called hydrofracture technology, gas drilling has become more of a reality for oil and gas operators. Barnett Shale is a massive natural gas deposit that occurs naturally deep under approximately seven counties in North Central Texas and including northeast Tarrant County. The Barnett field stretches from Dallas west approximately 5,000 square miles and produces about 1.2 billion cubic feet of natural gas a day according to some industry reports.

Many residents in Euless may have gas reserves underneath their homes. If mineral rights to the home you own were obtained at the time of purchase, you may be contacted by a drilling company for a drilling lease option. In anticipation of the gas drilling, the City of Euless created a Gas Drilling and Production Ordinance with safety and quality of life at the forefront.

The City of Euless has recently leased 339 acres of land in and around Texas Star Sports Complex to XTO that are

eligible for gas extraction. XTO will have access to gas reserves under the golf course and Parks at Texas Star fields. Crews won't drill on city property. Instead, XTO will lease land in Fort Worth to drill horizontally and reach gas reserves under city property.

If you are contacted and have questions regarding gas drilling or leases, the City of Euless can not offer legal advice, but may be able to answer any general questions you may have. Please contact the Planning Department at (817) 685-1623.

It Ain't Easy Being Green

With the ever increasing population and influx of cars, highways and flights from DFW Airport, the challenge to keep Euless green is increasing daily. The City of Euless is meeting that challenge through innovative programs, policies and procedures that not only save valuable tax dollars, they make Euless a more sustainable place to work and live. We wanted to share a few of our green features with you.

Euless has earned recognition for being environmentally tree-friendly as a White House Millennium Community and is the only nation to be recognized twice by the National Arbor Day Foundation for its Arbor Day celebration.

In 2006 over 100 pounds of red wiggler worms were given to Euless residents. This was not an attempt to send them running and screaming the other direction. It was part of an education opportunity called Compost-ology, The Science and Fun of Backyard Composting. Euless provided hands-on learning opportunities in order to reduce the amount of yard waste put in local landfills. The result was a decrease in garbage collected and yard waste returned to the earth as nutrient rich mulch.

City of Euless fleet currently operates 37 vehicles on Liquefied Petroleum Gas as an alternative fuel source. These units are driven on propane in daily usage 70% of the time. This fuel alternative results in kinder emissions to the environment. Policies have been implemented that city vehicles will be of a Low Emissions Vehicle, Ultra Low Emissions Vehicle or a Zero Emissions Vehicle type. Approximately 95% of the fleet meets this mandate.

Euless is one of the few, if not the only, jail in the region that has sky lights inside of cells.

Euless is working towards a complete conversion of traffic signals from incandescent to LED type fixtures. Currently all pedestrian crossing lights and 98% of the city's signals have been converted. This will reduce the average dollar cost and energy consumption by 75%. Incandescent fixtures use 150 watts of electricity compared to LED fixtures that use 8 watts.

Euless was the first city in Texas to provide apartments with a recycling alternative. Euless residential structure is made up of approximately 45% apartments. This accounts for nearly half of the population and an even larger percentage of potential waste to be sent directly to landfills. Euless residents who live in apartments are offered the opportunity to recycle the same materials accepted in the single family curbside program as well as the hazardous waste collections twice a year.

TIPS for Saving Energy and Money at Home

1. Add a new item to your recycle bag such as steel cans, plastic bottles or junk mail.
2. Replace light bulbs with compact fluorescent bulbs. The corkscrew-shaped bulbs are a bit more expensive up front, but use 75% less electricity.
3. Add 4-6 inches of mulch around your plants, which can cut water use by about 25%.
4. Maintain your vehicle. Properly inflated tires and well-tuned engines will save gas and curb excessive emissions.
5. Shorten your shower by one minute. A family of four, each showering for five minutes a day, uses 700 gallons a week; this is enough for a three-year supply of drinking water for one person.

Arbor Daze kicks off the Healthy New Eulesse initiative for 2007.

Join us in our efforts to become the "fittest" city in Texas. Come by the Parks & Community Services booth at Arbor Daze and sign up for the **Texas Round-Up Health & Fitness Initiative**.

The Texas Round-Up is a statewide health and fitness initiative. Its mission is to strive to improve the health of Texas through education and promotion of physical activity and healthy living. The City of Eulesse is proud to be kicking off this event as part of the Healthy New Eulesse program. Sign up at Arbor Daze and help us raise awareness of the importance of healthier lifestyles and increase sense of community through positive lifestyle programs. Best of all, it's FREE for all citizens. Visit www.arbordaze.org for more information.

JOIN OUR FAMILY OF VOLUNTEERS

The City of Eulesse Parks & Community Services Department designs, implements and produces several special events throughout the year. Each one is special & unique and is centered on the family. We need volunteers for each event because without volunteers our events would not survive. If you would like to help build a strong community, play an important part in someone's life and be a part of something exciting, then join our "Family of Volunteers." If you are interested in volunteering for any of the above events, please contact Jerry Poteet at 817-685-1449 or jpoteet@ci.eulesse.tx.us.

POOLS OPEN FOR THE SEASON ON MAY 26th!

Special Daze at the Pool

"2 Fer 1" NIGHTS: Thursday nights, two people for the price of one. Starting at 5 p.m.
 FATHER'S DAY: June 17, all fathers get in free with their child.
 INDEPENDENCE DAY: July 4, ice-cold watermelon slices served to all patrons at each pool. Pools close at 6 p.m. on July 4.

Personal Flotation Devices

Although, personal flotation devices, i.e. water wings, raft, inner tubes, etc., offer fun and enjoyment, many accidents and drownings have been attributed to the use of these devices. Therefore, the City of Eules does not allow the use of any flotation devices. The only exception to this policy would be Coast Guard-approved flotation devices.

Swimming Pool Reservations

Pools may be reserved for private parties during non-public swim hours. Only adults may make reservations.
 Rental Rates: \$90 (2-hour rental)
 Includes lifeguard fee up to 50 swimmers. Splash Island is NOT available for rental. Depending on group size additional guards may be required. For each additional lifeguard, a fee of \$10 per hour will be added to the reservation cost.

Call 817-685-1649 to make reservations.

Reservations require a minimum

14-day notice.

Times Available:

Saturday, 10:30 a.m. - 12:30 p.m.
 Sunday, 10:30 a.m. - 12:30 p.m.
 Sunday, 6:30 p.m. - 8:30 p.m.

A Word To Our Parents

Our lifeguards are highly trained and skilled. Their jobs are to assist in making our facilities a safe place to bring the family. However, they are not babysitters. Parents are expected to watch their children and to assist in enforcing the policies for the safety and enjoyment of all.

Eules Parks System

PARK HIGHLIGHT

Midway Park

300 West Midway Drive

Midway Park is one of the first parks that the City of Eules had in its park system. The twenty-two acre park has transitioned from a neighborhood park with few amenities to a community park with many recreational opportunities. Home of the Midway Recreation Center and pool, this park is rich with history. Midway Park was home of boys baseball and girls softball for Eules citizens for nearly forty years. In fact, Midway Park was the home of the very first boys baseball state tournament ever played in Eules.

We've recently added new play equipment to the playground as well as the tot lot and we're currently working with our Engineering Department on a new trail system that will connect on the east end with the Main Street greenbelt trail and on the west side to Milam Drive and with connection points to the north that will create a much safer route into the park from the Midway Park neighborhood.

For more information, you can contact us at 817-685-1650 or on our web site at www.eules.org/pacs.

Park Hours are 7 a.m. - 11 p.m.
