

EULESS

T O D A Y

Dear Citizens,

Now that the holidays are over, we look forward to springtime. We hope you are taking advantage of all the services the city provides.

The Euless Family Life Center is now open and the Senior Center has so many activities for seniors including health checkups and fitness programs along with games and luncheons. The Fitness Center is a popular spot for those keeping up their exercise programs. The Recreation Center continues to host outstanding programs for all ages.

Assistant Police Chief Harland Westmoreland retired in January after thirty five years with the city. His cheerful smile, work ethics and innovative ideas will be sorely missed, but we wish him a wonderful retirement with his family.

Volunteers are our Super Heroes. Thank you!

Saving Water Saves You Money

In order to ensure we have enough water for future generations and to promote water conservation, the Euless City Council approved a tiered water rate that encourages efficient water use. The more water you conserve, the lower your rate.

Outside activities such as watering lawns, filling pools and washing cars can account for up to 60percent of water use. Those who choose to increase their water use, will pay for additional water needed to keep up with the demand.

Water is one of our most important natural resources and we must protect it. The tiered rate structure is designed to protect our water resources now and in the future.

Tiered Water Rates

Water Base Rate	\$7.95
Water per thousand gal.	
Water: 0-2,000 gallons	\$2.27
Water: 3-8,000 gallons	\$3.20
Water: 9-15,000 gallons	\$3.75
Water: 16-35,000 gallons	\$4.10
Water: over 35,000 gallons	\$4.66
Wastewater: Base Rate	\$6.75
Wastewater per thousand gal.*	\$2.66
Drainage	\$2.50
Recycling ^{1**}	\$1.08
Sanitation ¹	\$7.73

*Residential accounts are charged at 90% of metered water service not to exceed 12,000 gallons.

**50% recycling discount for single-family seniors.

***Commercial, multi-family and sprinkler units are billed a flat water rate and a monthly base charge based on meter size.

¹ - Effective March 2011.

Rainwater Harvesting

Collecting rainwater is a smart idea. Plants like rainwater and it's a good way to save money on your water bill. If you want to make your own rain barrel for under \$50, read our brochure at www.eulesstx.gov/features.

The City of Euless Utility Billing Office is committed to the privacy of its customers. As such, the office has enacted a privacy policy that is designed for your protection. To view the complete privacy policy, please visit www.EulessTX.gov/water or call 817-685-1471.

Ash Ln. & Baze Rd. Construction

Preliminary plans for both projects are available in the Planning & Engineering Building at City Hall Campus, 201 N. Ector Dr.

ASH LANE CONSTRUCTION

Right-of-way acquisition is in process. The City has not reached agreement for the purchase of one remaining parcel of land. Once this is acquired, utility relocations can begin. After that, construction bidding and award of contract will take place and construction will commence. We hope to advertise for bids in late Spring, 2011.

BAZE ROAD CONSTRUCTION

All right of way has been acquired and utilities are currently being relocated. Upon completion, the project will be advertised for bids. Once the bidding and award process is complete, construction will commence. This may be as early as March, 2011.
